## NEWS OF STEELTON

### JEW TO OBSERVE RELIEF DAY HERE

Pretty Girls to Collect Funds; Young Men's Hebrew Association in Charge

Jews in Steelton have formulated elaborate plans for collecting money for the Jewish relief fund on Thursday. This is in keeping with the proclamation of President Wilson and Governor Brumbaugh setting aside January 27 as "Jewish relief day" throughout the land.

Under the auspices of a committee from the Young Men's Hebrew Association fourteen of Steelton's prettiest girls will canvass the town for contributions to the fund which will relieve the sufferings of thousands in Russia, Poland and Palestine. This will be the principal event of the day.

In the evening, however, there will be other methods used by which it is hoped to raise money. The principal of these will be a "package party" in the Y. M. H. A. hall, North Front street. The guests will be surprise packages, which will be sold at the highest bidder without being opened. The proceeds, of course, will go into the relief fund.

Arrangements are now being completed for the observance of the day by a committee of which David P. Baker, Dauphin county court interpreter and a front street businessman, is chairman. The other members include Louis Laborwitz, Jacob Yosowitz and L. Laborwitz, all prominent businessmen.

Since the outbreak of the war in Europe with its stories of the horrible privations of Jewish people in the contested territories Steelton Jews have contributed thousands of dollars to the American Jewish Relief Association. In many cases weekly contributions have been made.
