New York, Jan. 29.—Reactionary tendencies were again uppermost on the resumption of trading to-day, overnight developments, particularly international affairs, contributing to that end. United States Steel denoted pressure, with initial offerings of 1,500 shares and 1,000 shares at 83¼ and 83¼, a fraction under its recent minimum. War issues moved irregularly, Crucible Steel scoring a slight advance, while allied shares were lower. New Haven, yesterday's weak feature, opened at 69, a gain of a point, immediately falling, however, to 67. Union Pacific also lost a point, with minor changes elsewhere. Secondary quotations were lower.

Professional traders, to whom today's small dealings were almost entirely restricted, again manifested their bearishness by more or less successful attempts to depress prices. Leading shares, including United States Steel, the principal railroads and some metals, recorded lowest quotations of the week, some falling to minimums of the month. War issues like Studebaker, New York Airbrake, the oils and high-priced specialites, yielded 3 to almost 5 points and Bethlehem Steel fell 14 to 458. New Haven and Canadian Pacific were heaviest of the rails, with moderate offerings of Union Pacific and Eries at concessions. Variable railies were followed by fresh selling later. The closing was weak. Changler Bross & Co. members New Changler Bross & Changler Bross & Co. members New Changler Bross & Changler Bross &
