BUSY WEEK FOR LOCAL TOSSERS

Steelton Starts Schedule With Middletown; Central Meets York at Home

Scholastic basketball games are scheduled for Wednesday, Thursday, Friday and Saturday of this week for local teams and other members of the Central Pennsylvania League. Steelton and Middletown will open hostilities of the week by clashing in Felton Hall. It will be the initial contest at home for the Blue and White. Several weeks ago Middletown won by a score of 14 to 12.

Central and York will meet Thursday night at Chestnut Street Hall. Coach Bilheimer's squad has not ventured out of its lair, all of its four victories being on the home floor. Between the halves the Central co-eds will play Penn Hall.

Tech will go to Reading Friday night, and on the outcome will depend the honor of holding second position. With Captain Harirs back in the lineup, the Marcon tossers look formidable. On the same evening the York County Academy tossers will visit Middletown.

The York Collegiate Institute will ocal teams and other members of the

County Academy tosses with detown.

The York Collegiate Institute will play Coach Tatem's five next Saturday afternoon in this city. Steelion will go to Shippensburg Normal, while in the Central Pennsylvania League Lebanon and Lancaster will fight it out for fifth position in their match at Lancaster.

Effective March 1, the price of the Chalmers Six-40 will be \$1450 f. o. b. Detroit. This is an increase of \$100 over the present price. It is made necessary by the sharp rise in cost of raw materials.

Aluminum which sold for 19 cents a pound only a few months ago now brings 53 cents.

Copper has risen from 14 cents to 24 cents.

Vanadium Steel a year ago brought \$1.85 a pound. Now it sells for \$8.50.

High-Speed Steel formerly at a \$1.05 a pound now is worth \$3.35 Leather formerly 20 cents a foot now brings 33 cents.

All told, it costs \$118.22 more in raw material to build the Six-40 than it did some months ago. As this amount is considerably in excess of our net profit per car, only two

courses were open to us. One was to raise the price.

The other was to lower the quality.

To follow the latter course meant a "one-year" car. This kind of an automobile Chalmers has never built and

Therefore, a rise in price was the only procedure pos-

We regret that an increase in price is necessary, but we feel that other manufacturers of automobiles will be forced to either increase the price or use a lower grade of

For it is not possible to buy superior products in the open market at any less price than Chalmers pays.

We think it only fair to those who have planned to purchase the Six-40, and have been quoted the \$1350 price, to take this opportunity of saying that we will accept orders at that price up to midnight February 29. Thereafter the price of \$1450 f. o. b. Detroit will prevail.
