tissues, joints. One becomes flabby, obese, nervous, mentally singish, dull-eyed, wrinkled and sallow of face.
"But to get liver and bowels working as skey ought, without producing evil after-effects has been the problem. Fortunately, there is a prescription of unquestioned merit, which may now be had in convenient tablet form. Its value is due largely to an ingredient derived front he humble May apple, or its root, which has been called 'vegetable calomel' because of its effectiveness—though, of course, it is not to be classed with the real calomel of mercurial origin. There is no habit-forming constituent in 'sentanel' tablets—that's the name—and their use is not followed by weakness or exhaustion. On the contrary, these harmless vegetable tablets tend to impart tone and elasticity to the relaxed intestinal wall. Sontanel tablets, which may be procured from any targets—a dime's worth will do—will prove a revelation to any constipated, livertrubled person."

The Constipation Curse

Constipation - clogged bowels cause pain and sickness; 95 per cent of our ills, say the authorities. Sentanel Laxatives bring quick relief. All vegetable—contain no calomel. TO RUN-DOWN WOMEN

Detroit Woman Tells How To Regain Strength.

Regain Strength.

Detroit, Mich.—"I was in such a run-down condition I had no ambition to do anything. I had a chronic cough and cold and nothing seemed to give me any relief, and I was gradually getting worse, until a friend advised me to try Vinol, which I did, After the first day or two it seemed to put new life into me, the tired, worn-out feeling began to disappear, I regained my appetite and was able to get a good night's rest. The cough gradually wore away, and I am now feeling like myself again, so that I can do all my housework and go about my duttes as usual. Vinol is certainly a wonderful medicine." Mrs. W. E. Waters, Detroit, Mich.

Vinol restores health and strength in conditions like this, because in a natural manner it increases the appetite, tones up the digestive organs, enriches the blood and strengthens every organ in the body.

We guaranteed that Vinol will do the same for any run-down person in Harrisburg or give back their money. George A. Gorgas, Druggist; Kennedy's Medicine Store, 321 Market street; C. F. Those on the Atlantic coast went to Key West from New York without difficulty last winter for maneuvers and were making the same trip when the K-5 disappeared Sunday. The K boats in the Pacific recently went from San Francisco to Honolul under their own power, establishing a new record for long distance cruising for American submarines.

Equipped With Wireless
The K-5 was equipped with wireless, having a spending radius of fifty miles. Navy Department officials said it was probable that the vessel had gotten beyond reach of its wireless or that the apparatus had been damaged so that it could not report its location. It was pointed out that the vessels sent out in search for the K-5 might easily reach it by wireless if it were afloat but that the submarine would be unable to acknowledge any message beyond a distance of fifty miles.

Russians Inflict Fresh

Paris, Jan. 31.—News has been received in diplomatic circles at Athens, the Balkan agency's correspondent there telegraphs, that the Russians have inflicted a fresh defeat on the Turks in the Caucasus. The correspondent reiterates the report that the Russians have surrounded Erzerum. The Turkish authorities and the bankers with the bank funds he says, left the city at the last moment, barely escaping capture by Cossacks. Russian artillery has begun to bombard the forts of the city.

The correspondent adds that the Turks are hastily fortifying the towns of Angora and Sivas, capitals of the vilayets of those names, situated respectively 215 and 425 miles east of Constantinople.

Saturday night's raid, officially given as 24 killed and 27 injured.

While isolated encounters and much artillery and mining activity is reported, comparative quiet seems to have settled down again upon the western fighting front where the Germans recently have reported notables successes.

Aside from along the France-Belgiau lines, the millitary areas in which chief activity is being displayed at present are the Balkans and on the Caucasus front where the Turks and Russians are clashing near rezrum. MODE OF TREATMENT

Whether your trouble is Sciatica, Lumbago or the dreaded Articular Rheumatism, the answer is the same. You must treat it through the blood. That is the only way to rid the system of uric acid, purify the blood and revitalize the nerves. If the blood is freed from impurities, Rheumatism must go. This in short, is the knowledge gained by the laboratories of the S. S. S. Co. These tests have been made for fifty years. They know what Rheumatism is. They know that S. S., the remarkable blood tonic, which they originated, will relieve you of Rheumatism. The recovery of thousands of sufferers by the use of S. S. S. is a blood tonic—a purifier that restores the blood, and makes it pure as it was before it became poisoned with impurities. S. S. gives it strength to drive out these impurities—and with them the Rheumatism. Get S. S. at your druggist. If you need special advice, write Swift Specific Co., Atlanta, Ga.
