CUT THIS OUT

OLD ENGLISH REMEDY FOR CATARRH, DEAFNESS AND HEAD NOISES

If you know of some one who is troubled with Catarrh of the head, nose or ordinary catarrh cut out this formula and hand it to them and you will have been the means of saving some poor sufferer perhaps from total deafness. In England scientists for a long time past have recognized that catarrh is a constitutional disease and necessarily requires a constitutional treatment.

Sprays, inhalers and nose douches are liable to irritate the delicate air passages and force the disease into the middle ear which frequently means total deafness, or else the disease is driven down the air passages towards the lungs which is equally as dangerous. The following formula which is used extensively in the damp English climate is a constitutional treatment and should prove especially efficacious in suffering cases who live under more favorable climate conditions.

Secure from your Druggist 1 ounce of Parmitin (Double strength). Take this home and add to it 3 pint of hot water and 1 ounce of regulated sugar; stir until dissolved. Take one tablespoonful four times a day. This will often bring quick relief from distressing head noises. Clogged nostrils should open, breathing become easy and the inflammation of the inflamed membrane in the eustachian tubes is reduced. Parmitin is used in this way as it acts directly upon the blood and mucous surfaces of the system and has a slight tonic action which facilitates the recovery of the patient. The preparation is easy to make, costs little and is pleasant to take. Every person who has catarrh should use this treatment. —Advertisement.

AVOID ALL MEAT IF KIDNEYS AND BLADDER BOTHER

Uric Acid in meat excites Kidneys and irritates the Bladder.

Take Salts at first sign of Bladder weakness or Kidney-Backache.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter uric acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread the water passes sometimes with a scalding sensation and is very profuse; again there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. —Advertisement.

Senate Committee to Consider Only Charges Against His Legal Career

Special to the Telegraph
Washington, D. C., Feb. 1.—That the sole question that will be considered by the Senate Judiciary committee with reference to the nomination of Louis D. Brandeis for the Supreme Court vacancy will be the question of the professional integrity of the appointee was ascertained following the naming of a subcommittee to pass upon the nomination.

Leading members of the Senate will insist that the subcommittee hold public hearings in the Brandeis case as was done in the case of Thomas Jones, who a year and a half ago was nominated by the President for a place on the Federal Reserve Board.

GRACE LARUE IS WELL RECEIVED

Modish Gowns and Pleasing Songs Afford Agreeable Diversion to Orpheumites

A large audience listened attentively to the recital given by Miss Grace LaRue at the Orpheum Theater last evening. The recital was a novel departure from the usual formal concert form in that different costumes were worn for each group of songs. Miss LaRue from past experience in vaudeville and light opera has good poise and a striking personality. She has grace and style and a rare smile.

Her recital held a threefold interest for the audience. The gowns were modish and attractive. Each group of songs was given an additional interest by a change of gown, and lastly the songs themselves were well chosen. The program was divided into four sections, headed, respectively, "Morning," "Afternoon," "Evening," and "Night."

Washington, D. C., Feb. 1.—That Ballingerism is still rampant in the Senate is shown by an open letter addressed to the President by Gifford Pinchot.

RED PIMPLES ALL ABOUT FACE, NECK AND BODY. Large and Hard. Skin Very Sore and Face Was Very Disfigured.

"My trouble started with pimples making their appearance all about my face, neck and body. The pimples were large and hard and were red and festered, also appearing with yellow heads. They were scattered and the skin was very sore and oftentimes my face was very disfigured. This lasted for about two months and I found my face getting worse, and I was treated and when this failed I gave up hope of being cured. I saw an advertisement for Cuticura Soap and Ointment so I tried them and now I have not even a mark left on my face. I am healed." (Signed) Charles C. Davis, 1342 S. Chadwick St., Philadelphia, Pa., July 21, 1915.
