# ARE YOUR KIDNEYS WEAK?

Thousands of Men and Women Have Kidney Trouble and Never Suspect It.

Nature warns you when the track of health is not clear. Kidney and bladder troubles cause many annoying symptoms and great inconvenience both day and night. Unhealthy kidneys may cause lumbago, rheumatism, catarrh of the bladder, pain or dull ache in the back, joints or muscles, at times have headache or indigestion, as time passes you may have a sallow complexion, puffy or dark circles under the eyes, sometimes feel as though you had heart trouble, may have plenty of ambition but no strength, get weak and lose flesh. If such conditions are permitted to continue, serious results may be expected: Kidney Trouble in its very worst form may steal upon you.

**Prevalence of Kidney Disease**  
Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are among the most common diseases that prevail, they are almost the last recognized by patients, who usually content themselves with doctoring the effects, while the original disease may constantly undermine the system. If you feel that your kidneys are the cause of your sickness or run down condition, try taking Dr. Kilmer's Swamp-Root, the famous kidney, liver and bladder remedy, because as soon as your kidneys improve, they will help the other organs to health. If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one-dollar size bottles at all drug stores. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., which you will find on every bottle.

**SPECIAL NOTE**—You may obtain a sample size bottle of Swamp-Root by enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y. This gives you the opportunity to prove the remarkable merit of this medicine. They will also send you a book of valuable information, containing many of the thousands of grateful letters received from men and women who say they found Swamp-Root to be just the remedy needed in kidney, liver and bladder troubles. The value and success of Swamp-Root are so well known that our readers are advised to send for a sample size bottle. Address Dr. Kilmer & Co., Binghamton, N. Y. Be sure to say you read this offer in the Harrisburg Daily Telegraph.

## Need Volunteer Workers in Red Cross Society

Every Monday and Thursday from 10 to 12 a. m. and 2 to 4 p. m. women of the city are urged to come to the rooms of the Red Cross Society and help make up materials for the soldiers. Much money has been donated and large quantities of articles are prepared for sewing, but the work lacks volunteer workers. It is quite impossible this year to pay workingwomen for their services, as was done last year, and the clothing, bandages, etc., are needed as much and even more. Surely there are women who are willing to give a small portion of their time to this cause. The room is large and sunny and the elevator runs to the fourth floor of the Patriot building, in Market Square, where the society has headquarters. The High Cost of Living problem can be reduced to a minimum. The Broad Street Market ad on page 13 points the way.—Adv.
