THE Bowman Substantial Furniture Sales are growing—every February and August—every week—every day!

They are growing slowly as must all great things.

Their growth has been certain and substantial.

And because of this, every year, greater varieties and greater stocks are assembled for these two months of most active furniture buying.

For this February Sale, we have gathered the prime of furniture-creation, and coming as it does, from the country's foremost designers; originators; craftsmen; only the most dependable grades are offered.

Our time-payment plan is an effectual means through which furniture may be purchased; and the no-charge delivery carries furniture of any value to any destination.

BOWMAN'S—Third Floor.

## FUNERAL SERVICES FOR MISS WEIR

Friends Pay Respect to Memory of Well-known Social and Church Worker

Brief funeral services for members of the family of Miss Anna C. Weir, widely known social and church worker of the city, were held at 1:30 o'clock this afternoon at the home, 1604 North Second street.

Public funeral services for Miss Weir were held at 2 o'clock in the

Market Square Presbyterian church. The Rev. Dr. George B. Stewart, former pastor of Market Square church, now president of Auburn Theological Seminary, conducted the services, assisted by the Rev. Dr. George Edward Hawes, pastor of the church, and the Rev. William B. Cooke, former minister in charge at Market Square church. Honorary pallbearers were Judge S. J. M. McCarrell, Edward Bailey, George W. Rely, Spencer C. Gilbert, Henderson Gilbert, Melancthon S. Shotwell, George Roberts, Homer Black and Samuel W. Fleming.

All of the officers and Sunday school teachers of the Market Square Presbyterian Sunday School, with whom Miss Weir was connected as teacher and superintendent of the intermediate department for more than fifty years, met at 1:30 o'clock this afternoon in the Sunday school room, and attended the services in the church in a body.

The Foreign Missionary Society of

Market Square Presbyterian church of which Miss Anna C. Weir was president for eighteen years, held a service in the lecture room, with Miss Caroline Pearson, first vice-president presiding.

The subject was "Korea" and after devotional exercises, Miss Pearson spoke for a few minutes on that country and then paid a tribute to Miss Weir for faithful work in the society in which she was intensely interested. The hymns sung were "Asleep in Jesus" and "For All the Saints Who From Their Labors Rest." Mrs. Wilbur F. Harris sang "The Homeland" and Mrs. William Jennings president of the Executive Committee of the Foreign Missionary Society of the Carlisle Presbytery spoke with love and appreciation of Miss Weir's beautiful spirit in the mission work.

Mrs. George B. Stewart of Auburn, N. Y., long associated with Miss Weir in the intermediate department of the Sunday school and the Foreign Missionary Society led the memorial service in which several old friends of Miss Weir spoke affectionately of her usefulness and earnest labors for the church and its various organizations.

## Combining Williamsport I. C. S. District With Harrisburg Section

The Harrisburg and Williamsport districts of the International Correspondence Schools, of Scranton, will be combined in this city next Monday, according to an announcement made to-day at the branch office.

Headquarters will remain in the Telegraph building with W. R. Houser, superintendent; A. G. Casselberry, superintendent at Williamsport, as assistant superintendent here, and H. D. Delmott, supervisor. The reason given for combining the offices was the economy plan recently adopted at headquarters. The office in this city when the Williamsport district is added, will have thirty-seven routes reaching north to Williamsport, east to Lancaster, Reading, Lebanon and Doylestown; south to Frederick and Hagerstown, Md., and west to Lewis-ton and other points near there.

No change will be made, it was said to-day, in the efficiency and service for the Harrisburg or Williamsport district, after the two are combined there.

## Shippensburg Plumber Has Disappeared From His Home

Special to The Telegraph

Shippensburg, Pa., Feb. 4.—Edward Ely, a plumber, who has lived here for several years, disappeared from his home on Monday and has not been located. When he left his home he was in his usual good health and spirits. Mr. Ely left Shippensburg on Monday morning at 10:10 o'clock, having purchased a return trip ticket to Harrisburg. He intended to spend the day at Harrisburg purchasing goods and paying bills contracted in his plumbing and heating business. His family is alarmed at his continued absence. He is about 40 years old and has a wife and two children.

## WILSON TRAIN THIRD OVER NEW BRIDGE

[Continued From First Page.]

International questions of grave importance. The President was due to arrive in

Washington at 1 o'clock this afternoon. He slept until late this morning to recover from the effects of his strenuous trip and had just begun his breakfast when the train pulled into Harrisburg. The blinds of his private car were closely drawn and he did not speak to the crowd of railroad officials and employees who gathered.

It was believed early this morning that the President's train would be the first to pass over the completed half of the new \$2,000,000 bridge, but it was the third instead, two others having passed over the viaduct an hour before the President's special.

The first train to pass over the new bridge was an express from Baltimore, arriving at Harrisburg at 9:35. This train reached the bridge at 9:27 and passed off at 9:33. A train south, running ahead of the President's special, was next, at 9:52, reaching the Lemoyne tower at 10.

In order that trains could be run on schedule time, a force of 100 trackmen started work this morning at 7:55 to disconnect the tracks on the old bridge. The new connections were completed at 9:15. The work of dismantling the old bridge will start as soon as the weather will permit.

Work on the concrete portion of

the bridge is in charge of the Robert Grayce Company of Pittsburgh, and the first half was completed December 1. The contractors will resume work on the other half of the bridge early in April, and they expect to complete the bridge by November.

Members of the Middle division crew which hauled the President's train included W. T. Sattler, engineer; E. E. Stone, fireman; M. H. Melvin, conductor, and C. D. Shrum and C. W. Balsh, brakemen. The train consists of a combination car, two sleepers and the President's private car. Engine No. 3551 hauled the train from Altoona to this city. The Baltimore division engineer was A. H. Raeland, and fireman, C. R. Hedrick.

## CAN'T FIND DANDRUFF

Every bit of dandruff disappears after one or two applications of Danderruff rubbed well into the scalp with the finger tips. Get a 25-cent bottle of Danderruff at any drug store and save your hair. After a few applications you can't find a particle of dandruff or any falling hair, and the scalp will never itch.
