

BOWMAN'S BIG BARGAIN SALE

Tonight is only a temporary intermission—"between acts", we might say—in the progress of Harrisburg's best known merchandising event, our great B. B. B. Sale. Tomorrow morning at eight the curtain will rise again on a new setting—new offerings—new values.

The second day has in store, a series of savings that in many ways

will exceed those of the first. To be sure of this, read each section appearing below.

We prefer, at this particular time, that you form your own conception of the many savings, with our assurance that more than one surprise will greet you: Try YOUR judgment in determining REAL savings.
