**BREAK A CHILD'S COLD BY GIVING SYRUP OF FIGS**

Look, Mother! Is tongue coated, breath feverish and stomach sour?

Cleanse the little liver and bowels and they get well quickly.

When your child suffers from a cold don't wait; give the little stomach, liver and bowels a gentle, thorough cleansing at once. When cross, peevish listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

If your child coughs, snuffles and has caught cold or is feverish or has a sore throat, give a good dose of "California Syrup of Figs" to evacuate the bowels, no difference what other treatment is given. Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little river-to-day saves a sick child to-morrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of cheap imitations sold here. Get the genuine, made by "California Fig Syrup Company."—Advertisement.

**IMPORTANT NOTICE**

Careful investigation made by the Laundrymen's National Association of America, both among the selling agents of dyestuffs and the manufacturers of wash goods, shows that there is a shortage of permanent dyestuffs almost amounting to a famine, and that industries depending upon fast colors are in many cases closed down.

That the better quality of shirtings now being worn, are perhaps in most cases, fast colors, but that this condition cannot possibly continue for any great length of time.

That the wash goods in which the colors are most questionable at the present time are: Red Tablecloths and Napkins and Towels with Red Borders; Blacks in Cotton Gingham which are apt to wash lighter and in some cases "crock" when the damp goods are folded. Black Stockings will probably "bleed" and turn lighter. Light Goods with Blue, Red or Black Trimmings are apt to cause trouble.

Some makers of wash goods are already notifying their patrons that they cannot guarantee the permanency of colors.

Under these circumstances, and for the further reasons that there is no known method whereby fugitive colors can be washed so that they will not run and no way of knowing whether colors will run or not, except by washing, we beg to notify our patrons that while we use every care in the handling of colored goods, we cannot be responsible when these goods fade, as some of them surely will.

In view of the situation we strongly urge our customers to use as much white goods as possible until such time as the permanent dyes will again be available.

**CAMP HILL WOMEN IN BENEFIT FETE**

Valentine Party Arranged by Civic Club in Firemen's Hall Saturday Evening

The ladies of the Camp Hill Civic Club wish to assure the participants in the tableaux of their valentine fete of Saturday evening, February 12, in Firemen's Hall, of unexcelled facilities for presenting the pictures.

A new stage is being built and there will be a new drop curtain and side drapes of green to give the effect of a frame for the famous pictures reproduced, with appropriate musical numbers given during the views. The club members are superintending the cleaning of the hall also, so that no one need fear for the cleanliness, or the slightest soiling of pretty goods. The tableaux will portray "Famous Lovers in Literature," and each will copy a famous picture.

In William L. Taylor's beautiful "Hiawatha Bringing Minnehaha Home," there will be a real Indian setting with fir trees, an In-Indian topee, blankets and baskets. Minnehaha, who is seen weaving, greets the stranger Hiawatha who tells her of the tribal feuds. She gives him a drink from one of her baskets and consents at his urging to go with him to his country.

Many guests will play cards, but for those preferring other diversions there will be valentine fun, as well as the tableaux and music.

The proceeds of this entertainment will be solely expended in placing work boxes and tools in the schools for use of the children in making their bird boxes for the town.
