# Friday Bargain Day and the B. B. B. Sale Join Hands

Friday is always an unusual day at Bowman's. It is a day when small lots are given over to a severe repricing in order to move them out quickly—a genuine Bargain Day in every sense.

To-morrow will be more than just Friday Bargain Day.

And if it were not that "Friday Bargains" is an event of unusual importance for hundreds, it would probably pass unmen-

tioned in our enthusiasm over the great B. B. B. Sale.

Come! And share in our enthusiasm to-morrow—and share in the savings which are here for you. Note the low selling prices -compare! The merchandise itself can more forcefully tell of the savings, in your seeing or feeling or comparing.

Don't you think so?
