Carmalt Defends Him From Thorne's Attack at

Inquiry

Washington, D. C., Feb. 10.—James
W. Carmalt, chief examiner of the
Inter-state Commerce Commission, before the Senate subcommittee investigating the nomination of Louis D.
Brandels to the Supreme Court bench
to-day, challenged the declaration of
Clifford Thorne, chairman of the
Iowa Railroad Commission, that Mr.
Brandeis had concealed from him the
attitude he would take in arguing the
order. By Associated Press attitude he would take in arguing the eastern freight rate case before the

of being permitted to follow counsel for the shippers instead of opening the argument.

"Mr. Thorne asked me what Mr. Brandeis' position would be in the argument. There was no doubt in my mind what Mr. Brandeis' position would be. I had discussed it with him and he had told me. There certainly was no disposition to conceal it from Mr. Thorne. I am confident that I told Mr. Thorne that Mr. Brandeis would take the position that the not operating income of the carriers was not adequate, with special stress on the Central Freight Association territory. Further, I said, he would take the position that the methods pursued by the carriers to obtain greater revenues through a horizontal five per cent, increase, was not the proper method of increasing their revenues."

Mr. Carmalt was called to the stand on suggestion of George W. Anderson, United States District Attorney in Boston, who is attending the hearings. His testimony was regarded by friends of Mr. Brandeis as being very much in his favor.

eastern freight rate case before the commission.

Yesterday Mr. Thorne, who was associated with Mr. Brandels in the trial of the rate case for shippers and the commission declared he was "dumbfounded" when Brandels at the outset of his closing argument conceded the contention of the railroads that existing rate returns were inadequate for the prosperity of the roads and the best interests of the public.

In Brandels' Favor

"There is one incident firmly fixed in my mind," said Mr. Carmalt, "regarding a conversation Mr. Thorne ad with me on the second day of the argument in the rate case. Mr. Thorne, I understand, stated that when the commission fixed the allow the case, he had asked the privilege of being permitted to follow counsels of the shippers instead of opening the argument.

"Mr. Thorne asked me what Mr. Sincerely, Mrs. Wm. Kr. Dear Mr. Editor—I want to write you about "Anuric." I was very sick, could hardly be up; I was in bed most of the time. Had terrible pains in my kidneys and back, so much so that I had to scream sometimes when I was sitting down and wanted to get up, the pain was so great. I had tried a well-known kidney medicine but it didn't help me. I heard of Dr. Pierce's Anuric Tablets so I thought I would try them. I took only one box of the Tablets, and my back is now free from pain and I can work and take care of my family. I feel I cannot say enough for this medicine. Sincerely, Mrs. Wm. Keller.

Note: This "Anuric" is adapted especially for kidney complaints and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammatic of the bladder, scalding urine and urinary troubles. The physicians and specialists at Dr. Pierce's great Institution, at Buffalo, N. Y., have thoroughly tested this prescription and have been with one accord successful in eradicating these troubles, and in most cases absolutely curing the diseased kidneys.

Patients having once used "Anuric" at Dr. Pierce's Invalids' Hotel, have repeatedly sent back for more. Such a demand has been created that Dr. Pierce has decided to put "Anuric" in the drug stores of this country, in a ready-to-use form. If not obtainable send one dime by mail to Dr. Pierce for trial package or 50 cents for full treatment.

Dr. Pierce's Golden Medical Discovery is a blood cleanser and alterative that starts the liver and stomach into vigorous action. It thus assists the body to make rich, red blood, which feeds the heart, nerves, brain and organs of the body. You feel clean, strong and strenuous.
