*This Is the Store of Facts---*

Theory doesn't go here, giving all the facts are the principles maintained by this "Live Store". Too many merchants console themselves on the theory of things, now this---now that---but this is our way, straightforward, honest merchandising keeping the pledge we made, to you---that square dealing, honest representation and complete satisfaction would prevail here.

Challenge your own good memory, (have we done this?) do you know any store that has grown so fast or that has welded the confidence of the public so firmly as has this "Live Store"?

Come into this store and examine the merchandise we offer, everything of known quality and known value, then you'll not wonder why we have grown so rapidly and why Doutrichs mark-down sales bring such an overwhelming response.

**1916 Bathing Suits Will Be Shorter Than Ever, Decree**

Special to the Telegraph  
Chicago, Feb. 11. — Next summer when Susie, the beach fairy, comes tripping out in her new bathing suit, which will be mostly absent and considerably skin tight, the beach censor will either throw a fit or wear blinders.  
The Chicago fashion show displayed some of the new beach togs. The beach law rules that the skirts must

terminate not less than three inches above the knee. The law or the skirts will have to be revised next summer. Three inches below the hips would be about right, say the fashion builders. A form-fitting jersey, and a wee bit of a skirt about the size of a candle-shade are to be all the rage — and about all Susie will wear.

**TO SERVE 8 YEARS IN PRISON AFTER BEING PUT TO DEATH**  
Special to the Telegraph  
Luebeck, Germany, Feb. 11. — The German custom of sentencing a crim-

inal for each crime of which he has been found guilty, regardless of the consistency of the sentences, or whether if one is carried out, the others can be, is illustrated in the denouncement of a notorious murder trial here.

The defendant was charged with murder, attempted murder, breaking and entering and desertion from the army. He was found guilty of all four and was sentenced to death, 8 years' imprisonment, five years' loss of citizenship, degradation and banishment from the army.

**PERFORMER'S ARM BITTEN BY WRESTLING ALLIGATOR**

Special to the Telegraph  
Baltimore, Md., Feb. 11.—Those in the audience at the Hippodrome theater this afternoon were horrified when in the course of an act in which he wrestled with an alligator, Bert Swan, was bitten by the reptile. Swan, who had a powerful grip on the creature, in some manner released his hold and the alligator closed its teeth with the performer's entire forearm in its mouth. Then, as the reptile opened its jaws for another bite, Swan

though suffering great pain, retaining his presence of mind withdrew his arm, bleeding and torn.

**TO LECTURE ON WAR THEATER**  
"Western Europe, the Theater of War," is the subject of a lecture to be given this evening in the Technical high school by Dr. George Earl Raiguel under the auspices of the Harrisburg Teachers' Association. This is the second of the series of lectures in the course held by the city teachers. Dr. Raiguel will explain fixing boundary lines and how the status of the warring countries will be determined

at the close of the war in his address to-night.

**NAVAL RESERVES AND MILITIA WILL MANEUVER**  
Washington, D. C., Feb. 11.—A fleet of reserve battleships carrying members of the naval reserve and naval militia from all parts of the country will participate in the summer maneuvers of the Atlantic and Pacific fleets if Secretary Daniels' plans for a mobilization of the reserve are approved by Congress. An appropriation of \$77,000 will be

asked to cover the traveling expenses of the militiamen of the Great Lakes and other interior sections to the seacoast.

**TEMPERANCE RALLY SUNDAY**  
Special to the Telegraph
