TECH BASEBALL LOOKS PROMISING

Students Discuss Plans at Preliminary Meeting Last Night; Veterans in Game

Candidates to the number of fifty reported for a preliminary meeting of students interested in baseball at the Technical High school last evening. Plans were discussed for the organization of a nine and another meeting will elect a manager, captain, and to select a coach for the team.

Tech High was represented on the diamond last year for the first time in several seasons. The game had been dropped for three years because of a lack of competition with other nearby scholastic nines. The team last season played a successful schedule, and a majority of the students are in favor of continuing the sport. Before final action is taken it will have to receive the support of the advisory board.

"Si" Pauxtis to Succeed "Big Bill" Hollenback

"Si" Pauxtis, former Penn star and coach, was to-day appointed successor to "Bill" Hollenback as coach of the Pennsylvania Military College football team for next year.

"Si" Pauxtis was one of the best ends ever developed at Penn. He was also a baseball star and later saw big league service. Upon leaving college he took up coaching and after a few seasons' experience on Franklin Field took hold of the Dickinson College football affairs and while there developed the best teams that ever represented the college.

FAST GAMES FOR CENTRAL TEAM

Varsity Five Play Wilkes-Barre, and Girls Meet Hanover Co-eds

Central High offers strong basketball attractions to-night at Chestnut Street Auditorium. The varsity five will meet the Wilkes-Barre High tossers and the Central girls play the Hanover High co-eds. Both games are part of this season's school series.

The Wilkes-Barre team has defeated both Scranton and Hazleton High School fives and claim the championship in that section of the State. Scranton has heretofore been winning from all teams. Central found Hazleton one of the hardest propositions of this season. The game to-night promises much interest. It is not certain that Rote will be in the game, but at practice yesterday the entire squad showed up strong and there will be good substitute material.

Central girls are putting forth their best efforts to win the majority of games this season. To date they have played the strongest co-ed teams in Central Pennsylvania and in Hanover will have a hard proposition.

"Bob" Folwell to Be Boss Is Today's Announcement

Philadelphia, Pa., Feb. 11.—There is a stipulation in "Bob" Folwell's contract with the University of Pennsylvania that he is to have absolute control of the football team at Franklin Field this year, and is not to be advised or instructed by any board of advisory managers, or anybody else.

This bit of information was told to Penn graduates at a dinner of Pennsylvania men of New York and vicinity at the Hotel McAlpin in New York by Dr. George W. Coates, whose assigned subject was "Athletics."

"If Folwell does not turn out a winning team," said Coates "he doesn't want to have an alibi. That is his own language. He wants to blame nobody but himself, and he does not want to shift the responsibility. We were looking for a young man as coach this year, because we wanted a man who has played, and coached modern football, and who understands the game as it is now played."

In getting Folwell we have been very fortunate because he has shown his capabilities as a present-day coach and if he turns out a team at Pennsylvania of the same caliber as the same he produced at W. & J. I think we shall all be satisfied."

Hassett Girls Win Game From Tyrone Y.W.C.A. Team

The girls' division of the Hassett Club had a winning basketball team on the floor last night at Cathedral Hall. The local girls won from the Tyrone Y. W. C. A. five; score, 23 to 8. The game was interesting and attracted the largest crowd of the season. Miss Sweeney and Miss Cashman had the best scores, but every member of the local team was in evidence in the good work. Miss McBelis was the Tyrone star. The line-up and summary:

DERRY STREET BIBLE CLASS MEN FORM GUN CLUB; SHOOT A MONTH

Any Gunner in Class Eligible; Earle E. Renn President and "Bill" Fenical Secretary-Treasurer of Organization

Believing that many men can be reached spiritually by interesting them in the real red-blood things of life, the Derry Street Men's Bible Class of Derry Street United Brethren Church, Fifteenth and Derry streets, last night organized the Derry Street Bible Class Gun Club.

Earle E. Renn, an attorney in the Russ building, was elected president and William A. Fenical, florist on the Hill, was chosen secretary-treasurer.

Central York and Reading. Central York tossers are going after the pennant and from now until the close of the season new records are looked for.

WELLY'S CORNER

Percy D. Houghton will not be lost to Harvard just because he has become a baseball magnate. Houghton may not be able to get down to real work with the Crimson eleven until early Fall, but he assures the faculty that he will keep in touch with conditions and that they can count on his moral support and material assistance.

Additional interest in the Central Pennsylvania Scholastic Basketball League comes with next week's schedule. Three contenders for this season's honors play away from home—Central York and Reading. Central York tossers are going after the pennant and from now until the close of the season new records are looked for.

The selection of Charley White to referee the Willard-Moran fight has brought a general expression of approval. His presence in the ring means that the big fellows will have to put forth their best efforts. There is no reason to expect that either Willard or Moran would simply box. Both have reputations that must be looked after. It may be a one-sided battle, and for this reason the referee must be a man who has the nerve to end it when one man is getting all beat up.

MOSTLY STARS ON GETTYSBURG TEAM

Special Practice For Independents; Local Five Lacks Passing Form

The Gettysburg College basketball team which plays the Independents to-morrow night, is a team of stars. Campbell, the center man, is not only one of the tallest centers in basketball, but is a crack shot as well, and he usually scores most of Gettysburg's goals from the field. Williams and Mahaffie, the two forwards, are also playing their third year on the college team.

Gettysburg's game here Saturday will be the last of a three-day trip. They are trying to make a clean sweep of victories and expect to win from the Harrisburg Independents.

Locals Lack Form

Captain McCord of the locals, is far from pleased with the work shown by the locals in their last game and extra practices were in order this week. Special attention is being paid to following the ball closely, and to making the passes fast and accurate.

Due to the number of young people who will be attracted by the college game, Miss Lemer has prepared a special dance program. Many Alumni of Gettysburg from Harrisburg and surrounding towns will probably attend.

Moran's Manager Is Real Financial Man

Not content to be placed in Class 6 in the University of Pennsylvania relay carnival in April because all of its competitors are from other States, the management of the Technical high school track team will ask to have the local team placed in Class 5. This will enable Tech to compete with Central and Steelton. It is the belief that better results would come with the change.

No official announcement has been made as to the date for the annual any money out of the pugilistic game was concerned.

Until his first fight with Coffey on October 19 last year, Moran had engaged in forty fights, twenty-two of which were knockouts. These included his bouts with Luther McCarthy and "Jack" Johnson in Paris. For his fight with Coffey Moran received \$6,900 which he says is more than he made out of all his fights previous to this. His share of the money from the second Coffey bout was \$9,994. His share of the bout with Willard in New York on March 17 will be \$20,000 and 30 per cent. of the moving picture rights. Altogether under Dorgan's management Moran will have made close on to \$50,000 from October last year to the end of March, this year.

New Casino Records Came in Exciting League Match

New Casino records came with last night's bowling contests. Barnes, of the Senators, made three new marks. He bowled 279 for a single game, the former record being 268; made 673 for the match, 18 better than the previous record, and scored 10 straight strikes. The Senators won from the Alphas; scores, 2785 to 2676.

In a second game the Jolly Five won from the Skippers, scores 2788 to 2784. Barnes, of the Jolly Five, had 604 for his total for 234 for individual score.

New York, Feb. 11.—"Ike" Dorgan, a former newspaperman, who is now managing the destinies of Frank Moran, heavyweight aspirant for the championship has shown an uncanny genius for finance since his management of the Pittsburgher. Dorgan took Moran under his wing four months ago. Up until that time Moran had been a failure as far as making

McLoughlin and Bundy to Lose Amateur Standing

New York, Feb. 11.—Maurice E. McLoughlin and Thomas C. Bundy, two of the foremost tennis players in the country, will be declared professionals by the executive committee of the American Lawn Tennis Association. James Prior Allen, a gentleman of interesting connections with the officials of the governing tennis body, made this statement yesterday.

McLoughlin and Bundy recently signified their intention of entering the sporting goods business as partners. This intention, if carried out, tennis officials contend, will constitute a violation of the rule which provides there shall be no capitalization of athletic

Tech Has Special Practice; Anxious to Defeat Reading

Coach McConnell's Tech High basketball squad held its final practice to-day prior to the game to-night with Reading High School's five, and the team is confident of sending the "Dutch" back home with a defeat. A victory for the local team will put them on a fifty-fifty basis, and on the other hand will send the Reading boys down a peg farther from first place.

The Reading team boasts of the best scoring team in the league in addition to having fewer points tallied against them than any other five. The Tech management has made arrangements for the largest crowd of the season, and extra seats have been erected to take care of the fifty rooters that will accompany the team.

ELECT MISS BACHMAN CAPTAIN

Anville, Pa., Feb. 11.—At a meeting of the girls' basketball team of Lebanon Valley College yesterday afternoon, Miss Esther Bachman, star forward, was elected captain of the quintet. She is one of Coach Guyer's best players on the team. Miss Engle, a Harrisburg girl, is playing a good game at center.

TIE-UP IN TOTALS

In the P. R. Y. M. C. A. bowling league series last night the Browns and Greys each scored the same total, 254. The Browns won the match, making two out of three games. Leaman was honor man with 213 and 664.
