# Canadian Pacific Loses Four

Points; Steel and Coppers

Recede Moderately

By Associated Press

New York, Feb. 16. — Before the end of the first hour Canadian Pacific had extended its loss to over four points, and other high-priced shares, particularly specialties, were affected in similar degree. American Tobacco, International Nickel, General Motors, Willys-Overland and Mackay Companies were three to 6½ points under yesterday's final quotations. Crucible, as well as other early strong features, yielded to moderate offerings. Leaders, including United States Steel and Coppers, receded more moderately. Seiling appeared to be largely of professional origin, but certain issues suggested a recurrence of last month's liquidation. Bonds were lower.
