P. R. R. Seeks New Line on Belvedere Division

Special to the Telegraph Newtown, Pa., Feb. 22 .- It is ru-Newtown, Pa., Feb. 22.—It is rumored the Pennsylvania railroad is seeking to purchase the Newtown and New York branch of the Reading system, whose terminals are at Philadelphia and Newtown. This line was built independently about eighteen years ago, and was intended to run to New York. It is said the Pennsylvania will extend the line across the Delaware river to connect with the Belvedere division.

PERFECT HEALTH IS EVERY WOMAN'S BIRTHRIGHT.

When a girl becomes a woman, when a woman becomes a mother, when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances.

Motive Power Men Will Discuss Plan Big Improvement on Bal-Plans to Take Care of Baseball and Other Sports

Whether the employes of the Motime Power department of the Pennsylvania railroad shall support baseball only, or take up other sports, is a question to come up Thursday night. A meeting will be held in the P. R. R. Y. M. C. A., starting at 8 o'clock. Notices have been posted in shops and roundhouses urging a large attendance.

roundhouses urging a large attendance.

Recently, the directorship of athletics was placed in charge of E. L. Watson, supervisor of signals of the Philadelphia division. All department athletic associations must report to the general director. The motive power department has a number of athletic teams, and officials are at a loss to understand how each branch will be looked after. Rules and regulations will be taken up Thursday night and threshed out.

There is a strong following in favor of baseball only. If the employes agree to take up but one sport, officers will be elected and plans completed to start practice. The question of grounds will also be discussed. Already "Mike" Friel has lined up a big squad of promising players.
