The Standard Remedy

Relieves Constipation Easily Without Griping or Discomfort.

Indigestion and constipation are two conditions that are closely related and the cause of much physical suffering. The tendency to indulge one's appetite is more or less general and most people suffer at one time or another from rebellion of the overtaxed organs of digestion and elimination. A pleasantly effective remedy, that will quickly relieve the congestion of poisonous stomach waste and restore regularity, is the compound of simple laxative herbs sold in drug stores for fifty cents a bottle under the name of Dr. Caldwell's Syrup Pepsin. This is a mild, pleasant laxative tonic, free from opiates or narcotic drugs, and has been the standard household remedy in thousands of homes for many years.

Mrs. Oliver Young, Merrill, Wis., writing to Dr. Caldwell, says, she knows of nothing so effective for regulating the stomach and bowels; since taking Dr. Caldwell's Syrup Pepsin, she feels ten years younger; her work seems easier and she has regained her appetite.
