

CENTRAL MEETS TECH TUESDAY NIGHT---HARRY HOUGH STAR IN TRENTON LINE-UP

LIVELY BOXING AT FIRST SHOW

"Jackie" Clarke Wins Honors in Bout With Quaker Boy; Fast Preliminaries

Harrisburg's first boxing show in a long time, held last night at the Orpheum Theater proved an interesting exhibition. There were a number of lively mixups but no knockouts or falls. A large crowd attended and expressed approval of each bout with prolonged applause. The order was good, and the score of reserve patrolmen had nothing to do outside of watching the performance.

Lebanon Valley Winner in Game With St. Francis

Lebanon Valley's basketball team won from the St. Francis five last evening, score 45 to 21. The play was fast and exciting in the first half but in the second period the Anville players had an easy time and rolled up twenty-six points to their opponents' seven. Atticks, former Steelton athlete, was the best player for Lebanon Valley. The line-up and summary:

Hummelstown High School Has Athletic Association

Hummelstown, Pa., Feb. 26.—The High School Athletic Association has organized with George Bartels as president; Frank Shope, vice-president; George Blackburn, secretary; manager, Harry Miller; captain, George Hoerner; pitchers, Roy Brightbill and Joseph Cassel; catchers, Charles Hoerner and Benton Leinbach; first base, Harry Miller and Clarence Eck; second base, Benton Leinbach; third base, Blackburn; left field, Frank Shope; center field, Paul Gingrich; right field, Thomas Sutcliffe; coach, George Bartels.

CHAMBERSBURG GIRLS WIN

At Chambersburg last night Central High school girls lost to the High School co-eds of that place, score 16 to 7. Miss Smith and Miss H. Rote were Central stars. Miss Beatty excelled for Chambersburg.

John Paul Jones to Attempt a "Comeback"

JOHN PAUL JONES.

Chicago, Feb. 26.—John Paul Jones' acceptance of an athletic membership in the Illinois Athletic club of this city, has caused some surprise in view of the recent announcement of his retirement from athletics. Jones is living in Evanston, Ill., and his employer is said to be a member of the club, which may account for Jones' change of plans.

Bits From Sportland

Joe Birmingham has dropped his suit against Charles Sommers for back salary. Hummelstown tossers last night defeated Albion A. C. five, score 61 to 20. The Enloe Country Club has organized a baseball team with A. C. Keel as manager. Marlin Bowman, of Powells Valley was last night re-elected manager of the Matamoras A. V. team.

CENTRAL WINS EASY VICTORY

Central High had an easy proposition last night in Tyrone High tossers, the locals winning by a score of 45 to 25. The Central Reserves defeated the Globe Eight Posture team, score 43 to 22. In the regular game Thomas run up 25 points, Wallower, Houtz, Rote and Hilton also put up a good game.

LOCAL SERIES TO START TUESDAY

Central Meets Tech on Auditorium Floor; Arthurs May Be Referee

The first of the series of basketball games for the local championship honors will be played Tuesday evening in the auditorium, when the teams representing the Central and Technical High Schools will clash. The largest crowd of the season is expected.

The Central aggregation is the strong favorite, as they have won nine games and lost five. The best Tech has been able to do has been to break even on their series of 16 games. A comparison of the two teams will be made at the preference.

Arthurs May Referee The Tech squad has been practicing regularly on the auditorium floor, in hopes of overcoming the handicap that might be given to the Central players. The question of an official has not been decided, but it is expected that Arthurs, also a member of the Independents' athletic committee.

When the second game is played March 17, under the auspices of the central management, Referee Geisel, a fourth Independent player, will likely take part in the contest as an official. This player is the regular official for Central while Arthurs takes care of the officiating in the Tech gymnasium.

TECH LOSES TO DANVILLE

Tech High tossers last night lost to Danville High, score 27 to 25. The local five put up a plucky fight until near the close of the game when Danville had a shooting spurt and forged ahead. The Reserves defeated the Harrisburg Juniors, score 29 to 16. In a wrestling match after the game Levin put "Muzz" Miller on the mat in seven minutes.

ACADEMY PLAYS AT LANCASTER

The Harrisburg Academy basketball team left this morning at ten o'clock for Lancaster, where they will meet the strong Franklin and Marshall team.

Central Penna. Notes

Marietta. — Mrs. John Kellar, aged 82, died yesterday at the home of her daughter at Millway. Wayneboro. — William M. Adiekauff, for the past three years employed in the purchasing agents' department of Frick Company here, has retired. Wayneboro. — Announcement was received here to-day of the wedding of Miss Mary E. Ervin, daughter of Mr. and Mrs. G. M. Ervin, of Wayneboro and Dr. S. H. Rinehart, of Pottsville. The wedding took place Thursday morning at Crescon. Eden. — A wedding was solemnized yesterday at noon at the home of Mr. and Mrs. Ann Zeamer, when their daughter, Miss Mary, was married to Jacob H. Eppenshade. Duncannon. — Walter B. Ranyon, editor of the Duncannon Record, fell in front of his office yesterday and broke his leg. Hershey. — Funeral services of Mrs. Sarah H. Landis will be held at Henry's Meetinghouse to-morrow morning at 9 o'clock. A class of eighteen from New Kingston, Bolling Springs were admitted to the order.

REGULARS PLAY ON TIGER TEAM

Eastern Leaguers Promise Local Independents Hard Chase Tonight

Although the Trenton basketball team has had several new men in the line-up for their league games during the past month, none of them will be brought to Harrisburg. When they play in Harrisburg to-night the Tigers will be made up entirely of the regulars who have represented Trenton the greater part of the season. The locals expect to present their regular line-up, and every man will put forth his best efforts to gain a victory over Hough and his crew. Miss Lerner's orchestra, which has been playing at the auto show all week, will be on hand to play between the halves, as well as for the dance after the game. The line-up follows: Trenton, Frankol, f. Riley, g. Getzinger, c. Frost, s. Hough, g. Harrisburg, Rote, f. McCord, f. Geisel, c. Ford, g. McConnell, g.

Studebaker Company to Built 10,000 Motor Trucks

Announcement made of the new one-ton and half-ton Studebaker commercial cars is accompanied by the information that the Studebaker Corporation will produce 10,000 of these vehicles during 1916, thus taking a place among the largest builders in the industry of trucks of like capacities. Three models of the half-ton carrying capacity are announced, and the same number of the one-ton capacity. The half-ton models include the panel delivery car, \$875; open express car, \$850; station and baggage wagon, \$875. One-ton trucks include the open express type, \$1200; stake body type, \$1250; 16-passenger bus type, \$1400. Quantity production is the rule at the factory because of the big demand for the new trucks that is reported by dealers everywhere. The new Studebaker models are featured by the fact that they are designed and built primarily for commercial work. They are not adaptations of pleasure car features, but are the result of long tests in actual commercial service preparatory to being placed on the market. Although the Studebaker Corporation has been building commercial cars of half-ton capacity for several years, it has never attempted production on as large a scale as is planned for 1916. One of the features of the new models is that they are equipped with electric starter, electric lights, speedometer and other high-class features. In addition to their power, these cars are notable also for their attractive lines and high quality body finish. Considerable attention has been paid to the comfort and convenience of drivers. Everything necessary for the operation of the trucks is within easy reach of the operator and arranged in simple fashion.

WELLY'S CORNER

Yale and Penn clash to-night in the Intercollegiate series. The game will be played at Philadelphia, and if Yale wins four teams will be tied up for this season's honors. Penn lost to Princeton early in the week.

Harrisburg is getting into the wrestling game in a manner that is attracting attention throughout the State. At Lebanon Valley College on Tuesday night several local stars will be prominent. Kreider of the Harrisburg Academy will meet Donahue of Lebanon Valley College. Von Bereghy a Harrisburg, is matched with Mackert, captain of next season's football team.

Harrisburg's next country wide shoot will be a two-day registered target event, to be held during June. The Harrisburg Sportsmen's Association has secured a sanction from the Interstate Association. It will bring to Harrisburg all the crack shots in the United States both professional and amateur. Scores will figure in the annual award of honors, and the year's averages.

Jess Willard has reached New York, received a warm welcome, and will start training to-day. The reception accorded the champion indicates big success for the promoters of the

battle with Moran. It is already a question whether there will be enough seats to take care of the big crowd.

Now that the Army-Navy game is settled, and New York will get the annual battle, no efforts will be made at the University of Pennsylvania to change the location this year. It is understood, however, that activity will continue and that a stadium will be one of the early improvements next year.

Reports from Reading picture great things for the Atlantic League, "providing Lauer's Park is leased." That Al Lawson has the option on this ground is not denied, nor never will. If Reading prefers independent baseball to the New York State League game, Harrisburg will have to accept the same thing or remain out of league baseball, unless President Farrell of the New York State League will take Harrisburg in without Reading.

George Cockill holds the option on Island Park, and until he gives up the proposition for a New York State League team there will be nothing doing regarding any other organization. It may be March 1 and later before the final report is made on baseball conditions here.

MILITARISM IN SCHOOLS OPPOSED

Educators Object to Army Training Being Required, but Leave Loophole

Detroit, Mich., Feb. 26.—The Department of Superintendence of the National Education Association, at its closing session here yesterday, went on record as opposed to compulsory military training in the public schools. The educators, however, favored a plan whereby the "American youth" who wishes to receive military instruction can hire special teachers. The action of the department was generally regarded as a compromise. It was said that although there were many advocates of a strong national system of preparedness, as well as many opponents of such an organization, the most generally accepted view was to keep militarism out of the grade and high schools. Most of the delegates, it was said, favored the special military school plan.

Opposes Military Training

A resolution opposing scholastic military training which was adopted carried a clause which recommended that the president of the department of superintendence—John D. Shoop, of Chicago—appoint a committee of nine "to study and report on the proper place for acceptance of military education of 'American youth.' The department agreed to finance "the necessary expenses of the committee. Other resolutions which were adopted favored boards of education of fewer members; child labor laws; increased appropriations for the United States Bureau of Education and appointment of education attaches of all American Embassies and Legations.
