MUTUALS INVITE PRESIDENT REA

PENNSY REPORTS LABOR SCARCITY

Want Pennsy Head as Special Guest at Anniversary Celebration; Big Program

Need Men at Local Shops; Shortage in All Branches

Officials of the Harrisburg Branch No. 4, Mutual Beneficial Association of Pennsylvania Railroad Employees...

The Pennsylvania railroad officials report a scarcity of laborers in and about Harrisburg. For the first time in many years a sign is posted outside the office of the master mechanic in North Seventh street, reading "Men Wanted."

The Mutual hand will make its appearance in new uniforms, and the entertainers will be employees of the railroad company in and about Harrisburg.

Inquiries brought the information that men are being hired daily for all branches of work, but that the men are not applying fast enough. Men are needed about the local shops which at present are crowded with repair work.

STEELTON AND NEARBY TOWNS LICENSE MEASURE INCLUDES MUCH

Ordinance Now Before Council Sets Fees For All Businesses

Steelton's borough council, at its meeting next Monday, will act upon the new license ordinance drawn up at the request of the Steelton Merchants' Association and presented to council by Kirk Shelley, chairman of the ordinance committee.

The measure is comprehensive and sets new license fees for selling of everything from amusement tickets to the staple articles of commerce. It requires that the borough secretary of chief of police issue a license tag for every person who desires to sell anything in the borough and sets forth the terms on which such license shall be issued.

Owners of hacks or other vehicles for passenger carriage are assessed from \$3 for trucks of less than 2-ton to \$10 for trucks of 2-ton capacity. The jitney license amount has not as yet been set. Horse-drawn vehicles are assessed from \$3 for a single horse team to \$9 for a six-horse team.

Advertising or selling any goods by standing in the streets or on sidewalks is prohibited. Auctioneers are assessed a fee of \$15 annually or \$1 per day but an exception is made here in favor of local merchants who desire to reduce stocks by these means.

MIDDLETOWN LEAGUE WANTS PARK EXPERT

Will Ask Council to Appoint Man to Boost Playground Establishment

Appointment of a superintendent of parks, playgrounds and athletic field by Steelton's borough council will be urged by the Municipal League at council's meeting next Monday evening.

At a meeting of the league last evening development of Luther R. Kelter park, upon which much work has already been done, and the establishment of a comprehensive system of playgrounds was discussed.

The league members came to the conclusion that the best way to obtain playgrounds for the borough and to assure the steady development and extension of the borough's park system would be to induce council to create the office of superintendent of parks and playgrounds and to appoint an experienced park man to take charge of the work.

Such a man, the league points out, will be able to direct the development of the park system along proper lines and will be able to handle the details of establishing playgrounds. He could also direct the activities connected with the borough athletic field.

STEELTON GOVERNOR CALLS BOROUGH MEETING

Big Gathering to be Held in Harrisburg at Capitol April 11 and 12

Governor Brumbaugh to-day issued a letter announcing to officials of the boroughs of the State that the fifth annual meeting of the State Association of Boroughs would be held in the State Capitol April 11 and 12.

The Governor says that one-fourth of the population of Pennsylvania lives in the boroughs and that more serious problems confront the executive officials of such municipalities than those which confront the executive officials of boroughs. The Governor urges that all boroughs be represented.

The fifth meeting of the State Association of Boroughs will be held in the hall of the House of Representatives, Harrisburg, on Tuesday and Wednesday, April 11 and 12, next. This is one of the most important bodies of municipal officials in the State of Pennsylvania. Dependable figures show that one-fourth of the population of the State resides in boroughs. Boroughs range in population from less than one hundred to more than thirty thousand. All are governed by the same laws.

MARKETING WILL BE GIVEN STUDY

Important Developments Expected to Follow as a Result of Investigations

What is regarded at the State Department of Agriculture as one of the most important investigations undertaken in a long time has been authorized by the new State Commission of Agriculture after a prolonged discussion. It will be an exhaustive inquiry into ways and means to bring about better marketing conditions in the State with a view to establishing some service by the department which will enable not only farmers, but fruit growers, stock raisers and others to get better acquainted with markets, the importance of grading and routing. The inquiry will cover the whole State and Messrs. M. E. Bushong and W. T. Phillips, of the State Commission, will co-operate with Secretary Charles E. Patton in the work.

The bulletin of the department, which is just issued, contains a warning against the red leaf beetle, a pest which has been found to be especially destructive to fruit trees, especially in the northern counties. The larvae are to be found in the Spring on the first cherry.

The department also announces that the State stands fourth in the production of rye for 1915, Wisconsin, Michigan and Minnesota exceeding it. It is also stated that damage done by the Hessian fly last year was only four fourths as severe as in 1914. The State now stands sixth as a potato producer and pretty near the top for prices of eggs, one egg producer reporting 103 cents a dozen in 1915.

Governor's Visit—Governor Brumbaugh is expected to return to-night from his visit to Towanda where he attended the Farmers' meeting to-day.

Secretary III.—Secretary of Agriculture Charles E. Patton, who has been ill with a slight attack of grip, is expected to return to the State Armory Board in asking for bids for the new West Chester armory.

West Penn Merger.—The Public Service commission in approving the West Penn merger yesterday determined that it did not pass upon the rates or valuations of the properties.

Maufair Decision Soon.—The decision in the Maufair compensation case, which will set a precedent for the State, is expected to be announced by Referee E. K. Saylor on Friday. He has a hearing in the Seely case from 10 o'clock to 11 o'clock.

Conditions Fair.—Conditions are now reported to be fair in the various cities where measles outbreak have occurred lately and it is expected that the cases will abate.

Unusual Claims Made.—One of the most unusual claims made in workmen's compensation is that of Mrs. Christine Rosenberger of Lansdale, which was referred to Referee Scott. He had just gone to work for a man and was killed by falling through a roof two hours after his employment began.

Mrs. Rosenberger has been employed as a carpenter at a weekly salary of \$18, and that Mrs. Rosenberger asserts that he was released for the purpose of the Republic State roofing for another man who agreed to pay him the same amount of wages. The new employer, she says, admits every claim except the amount of wages, which he says was \$500. Owing to the fact that the dead man had not mentioned the amount to anyone but his employer, according to those interested in the case, they contend it must be adjusted on this schedule. This will be decided at the hearing.

Must Fix Road.—The Public Service Commission has made an order that the Lancaster and Marietta Turnpike Road Company, shall scrape and roll its roadbed and put it into good condition when the frost is out of the ground. This order was made in the complaint of the Lancaster Automobile club.

Can Set Up Pins.—Attorney General Brown has given a decision that it would not be unlawful for miners between 14 and 16 years of age to be employed in a bowling alley in a Y. M. C. A. where such bowling alley is not open to the public, but its use limited to members of such association.

The hours of such work, he holds, must in all cases be in strict conformity with the provisions of the child labor act.

Full Crew Argument.—The Public Service Commission to-day announced that it desired to hear argument on more extended scale on the points of law raised in the full crew law complaints. The argument will be held March 23.

Philadelphia Visitors.—Fred Van Valkenburg, mercantile appraiser, and ex-Senator John T. Murphy, of Philadelphia, are on the auditor general's office to-day.

Approved Extensions.—The Public Service Commission has announced its approval of the Pennsylvania Railroad and Lehigh Valley extension of the Philadelphia and Glen Loch and the improvement at Morrisville.

Nominations Filed.—Nominating petitions filed for House of Representatives in the various districts. Among them: Dennis Curley, Ashland, Democrat, 2d Schuylkill; Joseph E. Phillips, Clearfield, Republican, Clearfield; John P. Cronin, Pittsburgh, Republican, at Democrat, Second Allegheny; C. M. McClune, Ligonier, Republican, First Westmoreland; J. Linn Harris, Bellefonte, filed a petition to be candidate for member of the Republican State committee from Centre county, and C. M. Short, Sugar Grove, to be candidate for the same office from Warren county.

Execution Date.—Governor Brumbaugh to-day issued a warrant fixing the week of March 20 for the electrocution of Marylin Kristan, convicted of murder in Allegheny county.

Many Have Qualified.—Officials of the auditor general's department to-day estimated that more banks and trust companies had qualified for the exemption under the State taxation act than heretofore. Payments continued to be heavy to-day, one Pittsburgh Trust Company paying \$114,000. The total receipts to-day at the Treasury were \$390,000.

Paid Over \$100,000.—The State treasury to-day paid \$109,000 to over fifty school districts, a record being made on the approval of warrants in the auditor general's office and the issuance of the checks by the treasury.

New Newport Complaint.—The Public Service commission to-day received a complaint from citizens of Newport against the rates of the Newport Water company. The borough has already entered a complaint.
