Corry. Pa.—"When passing through the experiences of a woman of forty-and five, I was in very poor health. Some other remedies were used, but with little benefit, if any. A lady recommended Dr. Pierce's Favorite Prescription because she had used it for several purposes. I began taking and tand it helped me at once. It tided me over and gave relief. I am very glad to have others know of its very beneficial application to such cases as sold are.
