

CENTRAL AND TECH PLAY ON STRANGE FLOORS

TECH QUINTET TO PLAY AT SUNBURY

Local Tossers Hope to Show More "Pep" in Game Tonight

The members of the Technical High School basketball team, accompanied by Coach McConnell, Faculty Director Grubb and Manager Moltz, left this afternoon for Sunbury, where they will play to-night with the high school team representing that place. Coach McConnell has had several hard practices since Tuesday night, when the team will shake its hoodoo and come home with a victory.

The Maroon squad has lacked in aggressiveness to date, and with a little more "pep" would be able to win more of its contests. The line-up for the game to-night will likely be as follows:

Tech. Sunbury.
Harris, f. Stillwagner, f.
Killinger, f. Martz, f.
Beck, c. Felton, c.
Pollock, g. Wetzell, g.
Yoffee, g. Faust, g.

The Big Baseball Man on Motive Power Staff

Baseball leaders who can make a star out of a "greeny," in one season are few. Stars do not come so rapidly. One of the few men with the ability to develop youngsters is "Mike" Friel, head of the Motive Power Department baseball team of the Pennsylvania Railroad. He proved his worth last season. It was not the first time "Mike" has had anything to do with baseball. In and around Renovo he is well known, having been in charge of the game at that place. His style is similar to that of Connie Mack. He gets the work out of his men, and he knows when a player is going to make good. As an all-around coach, Manager Friel is a valuable man. He handles the tug-of-war teams, and looks after the training of the basketball squads.

Form New Baseball League; Elect Officers and Umpires

Easton, Pa., March 3.—The Pennsylvania-New Jersey Baseball League was formed yesterday at a meeting at Bangor. The organization will have splendid financial backing. The officers elected are: President, Roy Lewis, general superintendent of the Bethlehem Steel Company; vice presidents, Herbert Male, Washington, N. J., and Edwin Ditchett, Bangor; secretary, Arthur Everitt, Stroudsburg; treasurer, Frank Hitzel, Stroudsburg. The towns that will be represented include South Bethlehem, Bethlehem, Stroudsburg, Bangor and Washington, N. J. The sixth team will be from Easton, Allentown, Slatington or Phillipsburg, N. J. The Bethlehem Steel team will represent South Bethlehem and the Cooper Athletic Association will represent Bethlehem. Umpires elected are William Steel, Monroe county, and Jim Keady, the football star, and Frank Cassidy, the athletic trainer of Lehigh University. Frank Lawler, Easton, and Arthur Hewitt, Bethlehem, are substitute umpires.

TIGERS PREPARE FOR SPRING GAME

Diamond Duel When Ty Cobb and Benny Kauff Clash at Dallas

Detroit, Mich., March 3.—Official announcement recently that the Detroit American League baseball club will meet the New York Nationals in exhibition games at Dallas, Texas, March 25-26, is causing much interest among local fans. A diamond duel between two famous ball players—one whom fandom generally has crowned king and the other who was the champion batsman of the Federal League—will probably take place when the Tigers and Giants clash.

Ty Cobb, centerfielder, who has grown to regard the premier bating honors of the American League as personal property, will have his first opportunity to match his skill and wit with those of Benny Kauff. The latter's great record at bat and in the outfield for Brooklyn caused numerous baseball writers to refer to him as the "Cobb of the Federal League."

When the independent organization went out of existence Kauff was purchased by the New York Nationals. Although he has had differences over salary with Manager McGraw, it is generally believed that Kauff will be in the New York line-up, not only during the training season, but as a regular during the 1916 campaign. Manager Jennings, of the Tigers, granted Cobb permission to report at the Waxahachie, Texas, training camp this Spring whenever he felt like it. It seems certain that Cobb will not do much spring training, as he has said that such conditioning weakens him during the crucial autumn games, but some of Cobb's closest friends, who live in Detroit, assert that he will be in the Dallas series if he has to walk from Georgia.

Kauff has never played in Detroit, but numerous stories have come to the Tiger camp concerning his ability. Former Detroit stars who were with Federal League clubs last season have generally declared that Kauff is one of the greatest batters they have ever seen. They have not been inclined to class Kauff with Cobb as a base runner; they have said that Cobb "probably" is a bit more dangerous at the bat because of his versatility, but they all, seemingly, have been ready to take issue with any declaration that Kauff is not the greatest natural batsman in the game.

Hazleton's League Tossers to Be Saturday Offering

The strongest team that has ever represented Hazleton in basketball will oppose the local Independents Saturday night of this week. Hazleton has always had a reputation as a basketball town and they are adding to that reputation in their first year in the Pennsylvania State League. Last season the Hazleton professionals played an excellent ball and made a splendid record.

RESUME GAMES AT CATHEDRAL HALL

Hassett Girls Play Temple University Co-Eds Tonight; Good Record

Basketball at Cathedral Hall will be resumed to-morrow night. The Girls' Division team will play the Temple University girls of Philadelphia.

The Temple Girls have a no-defeat record, and this game was especially arranged by the Hassett management in order to decide State honors. The Girls' Division team has won eight straight games and its schedule has yet about ten games to be played, among them being Indiana Normal School, Susquehanna University Girls, Bethlehem Moravian College, Mt. Carmel High School and several teams in this vicinity. The Temple manager, Miss Eleanor Borden, announces the following line-up:

How They Line Up
Misses Goessinger, Inps and Vorhees, forwards; Miss Bockelman, center and Misses Hammington and Buzby guards.

Miss Morgan has lately been coaching the Hassett Division team, and the line-up will be: Misses Burns and Sweeney, and Hilton, forwards; Miss Devine, center, and Misses Cashman and McCarthy, guards.

In order to accommodate the patrons and avoid the crowded condition of the hall, the doors will not open until 7:30 and will close as soon as the seating accommodations are filled, in order not to interfere with the floor space and players.

Good Record
In the eight games the Hassett girls have scored 161 points against 64 for their opponents. Miss Sweeney leads in points scored with 49. Miss Cashman is second with 38; third, Miss Burns, 34; fourth, Miss Devine, 26; fifth, Miss McCarthy, 10; and Miss Hilton in one game, 4. The scores follow:

Hassett 14, Lebanon Valley 9; Hassett 16, Hanover High 9; Hassett 24, Broad Top High 9; Hassett 12, Tyrone Y. W. C. A. 10; Hassett 24, Moravian College 11; Hassett 13, Lebanon Valley 11; Hassett 28, Tyrone Y. W. C. A. 8; Hassett 31, Hershey 7.

ALWAYS AIM THE SAME
Get into the habit of seeing the front sight always in exactly the same position with the relation to the rear sight namely, with the top of the bead just level with the shoulders of the latter, and to correct the rifle's elevation by aiming high or low on the object.

Where a rifle is equipped with an extension leaf of the rear sight the elevation will, of course, be governed by the manipulation of this, and never by drawing a coarse bead or a fine one. The same principle holds good where a peep sight is used in the rear. There, the front sight should always be seen as near the center of the peep opening as one can judge it and the rifle's elevation governed by manipulation of the sighting mechanism or, if a quick shot is necessary, by judging how much below the mark the previous shot hit, and aiming the second one that much higher on the mark.—March Outing.

EXPERIENCED
"My cross-examination didn't seem to worry you much," said the famous lawyer to the witness after the trial. "Have you had previous experience?" "Just a little," replied the witness sarcastically. "I have six children."—Ladies' Home Journal.

FRANK KIBLER DIES SUDDENLY
Marietta, Pa., March 3.—Frank Kibler, Sr., aged 44, died suddenly from an attack of heart disease last night. His wife, ten children and three brothers survive.

QUITE CONVINCING
"But, my good woman, you should try and reason with your husband. You should apply some argument of weight to him for not abusing you." "I did that, yer'anner. I hit him with me rollin' pin."

WELLY'S CORNER

The Albion A. A. is growing rapidly in membership, so much so that plans will be started soon to erect a clubhouse. At a meeting to be held on Monday night the members will discuss the new project. On March 16 the annual big roast will be held at the headquarters, North Fifteenth street, and at this feast it is expected the members will hear all about the proposed new home.

The Harrisburg Telegraph quintet left this afternoon for Waynesboro and to-night will meet the famous Alpha five of that place. Much interest is manifested in this game at Waynesboro because of the local line-up. The game has been widely advertised throughout Franklin county and a record crowd is looked for.

One change occurred in the Casino Independent Bowling League during the past week. Chrismer, of the Puritans, is still leading with an average of 177. The Oregonians jumped into third place and are but one point behind the Lancers in average. The Puritans lead with 168.

The West Fairview Sportsmen's Association will break into this year's game to-morrow. The first target shoot will be held and there will be a 100-target event. The entrance fee will be reasonable. Many Harrisburg shooters will be on hand.

700,000 MEN IN ARMY BILL

Federal Volunteers to Reinforce Regulars and National Guards; Navy Unsurpassed

Washington, D. C., March 3.—Final agreement was reached by the House Military Affairs Committee yesterday on its bill for the increase of the army, and it will be reported unanimously to the House early next week. In round figures the measure would authorize the formation of an army composed of regulars, National Guardsmen and Federal volunteers with a total peace strength of approximately 700,000 fighting men.

It provides for a maximum strength of 170,000 fighting troops for the regular army, for a minimum of 425,000 for the National Guard within five years, and for organization of Federal volunteers through an extension of a summer training camp idea. It is estimated that 100,000 men can be enrolled in the latter force.

Industrial Mobilization
The bill retains provision for organization of industrial and technical reserves behind the fighting lines and authorized the creation of a board of officers to control an industrial mobilization in time of war or imminence of war. It also provides that manufacturers of war materials must give immediate preference to government orders in war time, or when there is danger of war, under heavy penalty for failure to do so.

An encouraging report on the condition and efficiency of the Nation's sea forces was given the House Naval Affairs Committee yesterday by Admiral Frank Fletcher, commander-in-chief of the Atlantic fleet. In individual fighting efficiency, Admiral Fletcher declared, the dread-

Willard has started to train seriously. He is meeting all heavyweight comers and will pay \$50 to every fighter who can floor him. Bob Williams yesterday stood for six rounds. Sam McVey has asked for an opportunity to pull down \$50. Permission has been granted to pull off this practice bout.

The Phillies left to-day for the South. Pat Moran as advance agent for this squad has everything in readiness at St. Petersburg. The players will go by steamer and will start training on Monday.

Pennsylvania's crew started rowing practice yesterday. Ten crews were out for work and Coach Wright was much pleased with the interest manifested by the prospective members of this year's crews. He coached the team with the aid of an automobile. It was rather difficult at times to keep close enough to the rowers, but the new plan worked out better than was expected.

Harrisburg bowlers have not as yet entered for the national bowling tournament at Washington, D. C., in April but it is understood there will be representatives in the big game when the contests start. Local bowlers made a good showing at Atlantic City and it is the general opinion that Harrisburg will be prominent in the coming tournament.

naughts of the United States led the world, while in the skill of its officers and men the navy had no reason to fear comparison with that of any other Power.

Describing some of the things the navy is doing in the light of lessons of the European war, the admiral said one ship of the fleet recently had hurled seven out of forty-two huge projectiles through a target twenty by sixty feet, at a range of eight to nine miles, or 16,000 to 18,000 yards. The longest ranges used in naval engagements of the European war thus far, he explained, were 16,000 to 17,000 yards.

POPULAR FEAT
