New York, March 7.—Crucible Steel and Baldwin Locomotive led the irregular movement of the early session, dealings in these stocks far exceeding the demand for United States Steel, which continued to denote moderate pressure. Crucible added two to yes-terday's substantial advance and Baldterday's substantial advance and Baldawin 2%. California Petroleum Common and Preferred made further recessions on the poor annual report, and Mexican Petroleum and Texas Company yielded sympathetically. Sugars retained much of vesterday's buoyancy and metals were firm, Butte and Superior making a new record on its fractional rise to 59%. Bonds were irregular.
