## BEGINNING TOMORROW AND CONTINUING FOR 10 DAYS WE INAUGURATE AN IMPORTANT SPRING OPENING SALE IN OUR ENLARGED BARGAIN BASEMENT

**Just The Kind Of Merchandise You Need Right Now AT THE MOST UNUSUAL MONEY-SAVING PRICES EVER QUOTED IN HARRISBURG**  
Market Conditions Considered, This Is The Most Important Event We Have Ever Conducted  
**Our Bargain Basement Overflowing With Choice Extra Special Values**

The rapid growth of this branch of our business has forced us to Enlarge Our Bargain Basement to Double Its Former Size. It now occupies over 4,500 square feet of floor space and has been rearranged and stocked with thousands of dollars' worth of choice new Spring Merchandise.

Beginning to-morrow—and continuing for 10 days, we inaugurate one of the most important sales in the history of our store. A sale of the most reliable, dependable kind of merchandise at prices far below what this or any other store would have to pay wholesale were this same merchandise bought to-day. Mr. Zug, Buyer and Manager of our Bargain Basement, shrewdly gauged the tendency of the market and planned and prepared for this sale months ago, so that to-day with the manufacturing world demoralized on account of the scarcity of raw materials and the famine in dyestuffs, with the prices on most every line of merchandise soaring higher and higher every day and no possible relief in sight, we come forward and offer this merchandise which you need now, at lower than market prices—once more demonstrating that Kaufman's is truly Harrisburg's Real Underselling Store, that it does provide the best there is in merchandise at a lower price than it's possible to obtain elsewhere. Read this list of values carefully; every item is a big money-saver and can not be duplicated anywhere else at near the price we quote. Get down to the store early to-morrow morning, so that you get the advantage of first choice of these wonderful values.
