of Woman in Restaurant Chicago, Ill., March S. — An investigation into the cause of the death in a downtown restaurant last night of Mrs. Nellie Shaw, an expert billiardist, was begun to-day by the police.

Mrs. Shaw, accompanied by two other women, entered the restaurant and ordered supper. Half an hour later two of the women left and shortly afterward it was discovered that Mrs. Shaw, who remained at the table, was dead. A physician, who examined the body, said death might have been caused either by poison or heart disease. The dead woman was the wife of Lew Shaw, a widely-known professional cueist, who is on an exhibition tour.

Despite an apparently overwhelming sentiment throughout the county

against saloons, the Perry county court, with President Judge W. H. Seibert dissenting, to-day granted five additional saloon licenses in the towns of Elliottsburg (1), Newport (2) and Millerstown (2), where for two years past there have been no licensed bars. In all fifteen licenses were granted not licensed last year.

The licenses granted, all judges concurring, were: H. B. Rhinesmith, Hotel Rhinesmith, New Bloomfield; Oran S. Stoufer, Shermansdale; Truman Rotz, Laird House, Duncannon; Sam-

Buffalo, N. Y., Mareh 8.—A local manufacturer of engines for aeroplanes to-day received from a North Tonawanda boat manufacturing company the body of what is said to be the largest hydroaeroplane that has been built in America. When completed it will carry thirty-four men. After being equipped with motors and propellers, it is said, it will be shipped to Great Britain.

When fully equipped ready for service this flying boat will weigh 21,000 pounds. The body is 55 feet long and is completely enclosed. In it will be four motors of 240 horsepower for flying purposes and one 200-horsepower motor for propelling the machine will be 120 feet from tip to tip. The hull has two gasoline tanks, which have a total capacity of about 1,000 gallons. Apartments are constructed in the body for food and ammunition. The hull is of cypress.
