Next time you go to the theater look around you and notice how the women with well kept hair stand out from their sisters with wispy, lusterless, scraggly locks. Even if their faces are not beautiful, you will observe how they seem to just radiate attractiveness. If your hair is not all you desire, you can make it and keep it so by following just a few simple directions.

SUGGEST OF A NEW REMEDY FOR BACKACHE, KIDNEYS, RHEUMATISM.

Dear Mr. Editor—I suffered for years with backache. Last March I tried Anuric and had the best results.

NOTE: Folks in town and adjoining counties are delighted with the results they have obtained by using "ANURIC," the newest discovery of Dr. Pierce, who is head of the INVALIDS' HOTEL, and SURGICAL INSTITUTION, in Buffalo, N. Y.

Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort and new strength they obtained from Dr. Pierce's Anuric Tablets. To prove that this is a certain uric acid solvent and conquers headache, kidney and bladder diseases and rheumatism, if you've never used the "Anuric," cut this out and send ten cents to Doctor Pierce for a large sample package.

YOU CAN EASILY DARKEN GRAY HAIR

By Applying Q-Ban—No Dye or Sticky Mess—Harmless. Do this—Apply like a shampoo Q-Ban Hair Color Restorer to Hair and Scalp, and dry hair in sunshine. A few applications like this turn all your gray, faded, dry or gray-streaked hair to an even, beautiful dark shade. Q-Ban also makes scalp and entire head of hair healthy, so hair is left soft, fluffy, lustrous, wavy, thick, evenly dark, charming and fascinating, without even a trace of gray hair showing, making you look young again. Insist on having Q-Ban, as it is harmless—no dye—but guaranteed to darken all your gray hair or money returned.
