This Is National Baby Week

This Is National Baby Week

I Am The Baby.

I Am the Youngest Institution in the World—and the oldest.

The Earth Is My Heritage when I come into being and when I go, I leave it to the next generation of Babies.

My Mission is to leave the Earth a better place than I found it.

With my million little Brothers and Sisters I can do this, if the World does not impose too many hardships.

Now I need Pure Milk and Fresh Air and Play and the Love and Care of a Mother who does not spend her time in Cabarets.

When I am a little older I shall need Good Schools in which to Learn the Lessons of Life.

I want to live, laugh, work and play.

I want to hear good music, read good books, see beautiful pictures.

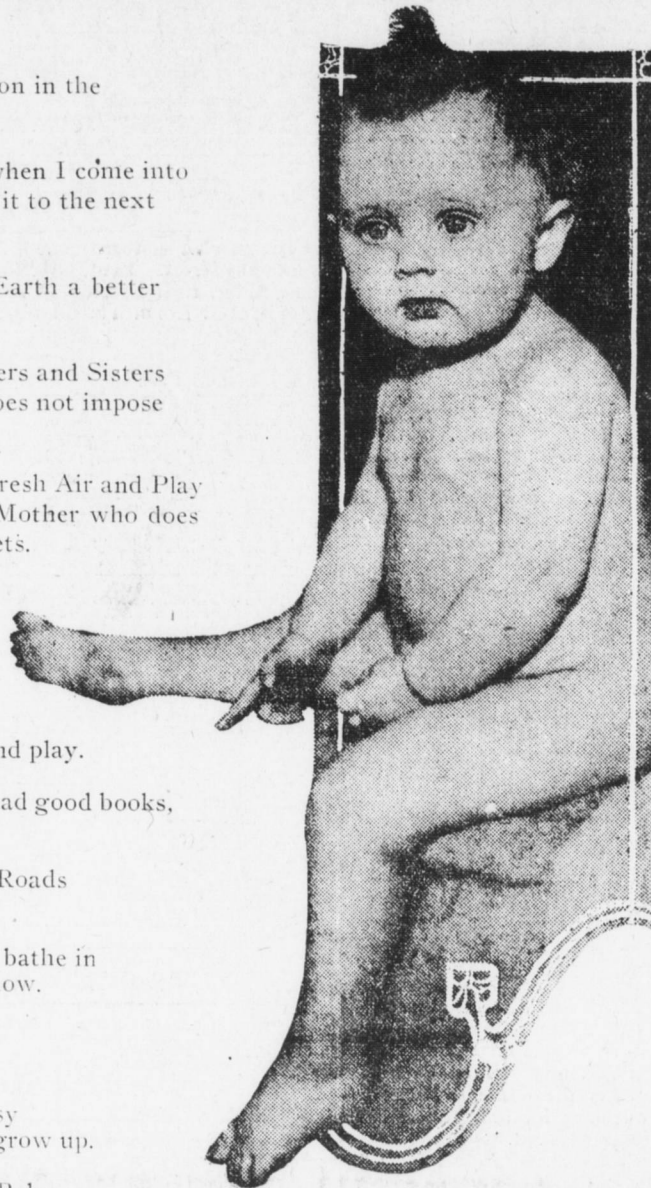

I want to build Houses and Roads and Railways and Cities.

I want to walk in the woods, bathe in the waters and play in the snow.

I am Yesterday, To-day and To-morrow.

If you will make my way easy now, I will help you when I grow up.

I am your Hope—I am the Baby.
