Everyone Who Writes A. L. Rice, a prominent manufac-turer of Adams, N. Y., has discovered a process of making a new kind of paint without the use of oil. He calls it Powdrpaint. It comes in the form of a dry powder and all that is re-quired is cold water to make a paint weather proof, fire proof and as dur-able as oil paint. It adheres to any surface, wood, stone or brick, spreads and looks like oil paint and costs about one-fourth as much. about one-fourth as much. Write to Mr. A. L.
