Governor Brumbaugh Endorses Battleship Fund

Executive Chamber HARRISBURG

March 6, 1916.

Mr. Edward J. Stackpole, Jr., The Telegraph, Harrisburg, Pa.

My dear Mr. Stackpole:

I should be happy, indeed, to see the suggestion of little Marjorie Sterrett carried to a successful conclusion and a great battleship, to be called "America", put into the service of the nation, with the prayerful hope that its services will be those of peace and not of war.

Whatever I can do in an honorable way to promote this cause I shall be glad to do, and I congratulate the Telegraph upon its intelligent activity in the matter.

Very truly yours,

W. Brumbaugh

WHO'LL WIN \$900 LIFE INSURANCE?

Anna Motter and Mrs. Belle Stephenson Contest For Marquart Money

Legal untangling of the problem to determine to whom the life insurance benefits of John A. Marquart are to be paid by the Equitable Life Assurance Association, was begun in Common Pleas court to-day before President Judge Kuntzel. Anna R. Motter, one time nurse and attendant of Marquart and his wife, and Mrs. Belle Stephenson, administratrix of Marquart's estate, both claim the policy. The sum totals less than \$900. Marquart, according to the witnesses, made Mrs. Motter his beneficiary as a "partial return" for her faithfulness in assisting both himself and his wife when "his sister, Mrs. Stephenson, deserted him."

EARLY MORNING FATIGUE

When you awake in the morning feeling tired out, feeling worse in fact than when you went to bed, you are confronted with one of the characteristic symptoms of neurasthenia. It is due to the run-down condition of the nerves that rest does not bring renewed strength and sleep refresh the tired brain. Overwork and worry are the most frequent causes of this condition.

The treatment is one of nutrition of the nerve cells, requiring a non-alcoholic tonic. As the nerves get their nourishment from the blood the treatment must be directed toward building up the blood. Dr. Williams' Pink Pills act directly on the blood and with proper regulation of the diet have proved of the greatest benefit in many cases of neurasthenia. A tendency to anemia, or bloodlessness, shown by most neurasthenic patients, is also corrected by these tonic pills. Your own druggist sells Dr. Williams' Pink Pills or they will be sent by mail on receipt of price, 50 cents per box; six boxes \$2.50. Begin the treatment at once before your condition becomes worse as there is a chronic form of neurasthenia.

Two useful books, "Diseases of the Nervous System" and "What to Eat and How to Eat," will be sent free by the Dr. Williams Medicine Co., Schenectady, N. Y., if you mention this paper.

Broad Street Evening Market

Special Offerings—4 to 10 P. M., Saturday

THE popularity of the Broad Street Evening Market is increasing with each passing week. That is why it was necessary not long ago to throw open the doors of the Brick Market—the building east of Capital street. The evening stalls are in every respect equally inviting as those of the earlier marketing hours—the farmer is there with stalls completely stocked. Temptingly smoked country sausage; country cheese; country dressed fresh meats; fragrant spicy applebutter, rich and tasty—made among the hills of our own Dauphin county where the apples were grown. All these are here and more, to say nothing of the attractive price offerings for the evening hours.

Girl Bride "Slayer" May Escape Trial

Port Worth, Texas, March —Relatives of W. R. Warren, killed by Katherine Vance Harrison, who alleged he attacked her, took steps to-day to prove that she is 18 years old instead of 15, as she and her mother declare.

If her age is only 15, the Texas law renders her exempt from a charge of murder, but if she is 18 she can be indicted and prosecuted.

But not all the proof in the world would cause the Texas jury to convict her in the present frame of public sentiment here.
