SECOND TEAMS TO PLAY FINAL GAME

An Additional Attraction For Friday Night on Auditorium Floor

Enthusiasm is running high among local basketball fans because of the games scheduled for Friday night at the Auditorium between the first and second teams of the Central and Technical high schools.

While the Central varsity five is ex-

pected to repeat its former victory over the Maroon, there is much speculation as to the outcome of the battle between the second team. When the teams met before, the Tech understudies nosed out a 26 to 25 victory, so that Friday night's contest is anybody's game. It is probable that the result will hinge largely on the ability of Holland and Ziegler to cage fouls for their respective teams.

Holland, the clever little Tech forward, scored 22 out of 28 fouls in the first game, while "Shorty" Ziegler did almost as well for Central. Horace Geisel will officiate in the game between the two league teams, while Ira Arthurs will call the penalties when the scrubs line up.

These two Independent players officiated in the two previous contests and gave satisfaction. Dancing will follow basketball. lation as to the outcome of the battle
