Doctors Advise Swamp-Root

For the last six months I have been troubled greatly with severe pains in my back, upon getting up in the morning. I went to the doctor and he told me I had Kidney trouble and advised me to take Dr. Kilmer's Kwamp-Root. I have taken a few bottles and am greatly improved. Swamp-Root is the greatest preparation for Kidney trouble and I feel that it is to this remedy alone that I owe my good health.

Yours truly,
R. D. WILLIAMS,
Chief of Police,

# To the Citizens of Dauphin County:

The Dauphin County Law and Order League appeals to every law-abiding citizen of the county for funds to carry on its work. The aim of the league is to aid, by the use of every legitimate means, the officers of the law in enforcing existing laws. It comes to you with a record of work done-not with vague promises of future achievements.

The league was instrumental in securing the conviction and punishment of eight offenders against election laws. It has submitted to the District Attorney evidence against more than one hundred others, and is ready with additional cases when those are disposed of. Working with the No-License League, the Law and Order League submitted evidence to the Dauphin County Court which resulted in the refusal of licenses to three established saloons, two proposed transfers and one new applicant in February.

Operating expenses for the year will total \$3,000, if the league is to carry on its work effectively. Contributions may be sent to the treasurer, H. L. Carl, 404 South Fourteenth street, Harrisburg, who will acknowledge all moneys received directly to the givers.
