## From \$10 to \$30 Are Spring Suits For Men and Young Men That Offer All That's New in Men's Clothing Styles

THE new models are attractive examples of the easy grace and clean-cut style which is characteristic of our suits. The fabrics show pleasing innovations in patterns and colorings and will be liked because they are removed from the commonplace.

Distinctive to a marked degree are the new Amherst and Blackstone models—improved Norfolk effects, finely balanced and with smart lines that make them the noblest styles designed for Spring. Buttoned patch pockets and plaits and stitched on belt in back. Smart, dressy one and two-button English sacks. Handsome double-breasted suits with soft roll lapels. The choice of patterns is wider than ever—

- Grey overplaids. Grey homespuns. Striped cassimeres.
- Grey shadow stripes. Brown mixtures. Striped worsteds.
- Other striped effects in single, double and triple markings.

The popular Balmorals and top coats with loose-fitting shoulders—velvet or self collar. A fine showing at \$15.00.
