

THE HOME OF "STANDARD" AND "NEW ERA" BREAD

We Welcome Your Inspection Of Our New Bakery

We want you to come, not simply for the purpose of seeing an attractive building, but in order to realize from personal observation how thoroughly we have equipped this new bakery with every modern facility necessary to serve you with bread and cakes, produced under the most sanitary conditions possible. The machinery will be operated under the direction of the most skilled bakers obtainable, and loaves of bread baked and wrapped in your presence. This bakery is among the finest and most complete, in the East, and a trip through the various departments will prove interesting as well as instructive.
