RAILROAD RUMBLES

TROOP TRAINS TO KEEP P. R. R. BUSY

Future Movements to Be Made Under Secret Orders, Is Report

Troop movements over the Pennsylvania railroad yesterday was the start of a big job for the passenger department. It is reported that other troops will be moved west at intervals until there are sufficient forces along the border line of Mexico to meet requirements.

Move On Time
The three trains carrying the Fifth United States Cavalry that passed through Harrisburg last evening were handled on schedule time.

All future movements of the troops will be made under secret orders. No announcement will be made of the arrival of the trains except to train dispatchers and station attaches.

Passenger department officials who accompanied the trains west as far as Pittsburgh included George Hartman, William Phillips, Rudolph Lawler and Philip Beard.

Eastern Railroads Plan to Relieve Congestion

New York, March 23.—Representatives of eastern railroads and shippers held a conference here yesterday to consider freight congestion relief measures recently undertaken by railroad presidents and Interstate Commerce Commissioner E. E. Clark.

A solution of the problem will be sought, it is said, through a "semimilitary scheme" for recording the movement of all commerce to and from the East, and for arbitrary regulation of measures recently undertaken by railroad presidents and Interstate Commerce Commissioner E. E. Clark.

What is declared to be a conservative estimate places the total cars in this vicinity at 125,000, which is said to be 25,000 more than a fortnight ago. Recent snowstorms have complicated the situation.

A solution of the problem will be sought, it is said, through a "semimilitary scheme" for recording the movement of all commerce to and from the East, and for arbitrary regulation of measures recently undertaken by railroad presidents and Interstate Commerce Commissioner E. E. Clark.

New Division Engineer Well Known in Harrisburg

John S. Goodman who was yesterday appointed division engineer for the Philadelphia and Reading railway with headquarters at Harrisburg, did not reach this city today.

Mr. Goodman, who is well known in Harrisburg, was appointed division engineer for the Philadelphia and Reading railway with headquarters at Harrisburg, did not reach this city today.

Find Flagman in Tunnel; Dies on Way to Hospital

Amos Warfel, aged 55 years, of Columbia, extra flagman on the Philadelphia division of the Pennsylvania railroad, was found dead in a tunnel in Philadelphia yesterday.

Amos Warfel, aged 55 years, of Columbia, extra flagman on the Philadelphia division of the Pennsylvania railroad, was found dead in a tunnel in Philadelphia yesterday.

Mail Bill Revolutionary Says Traffic Supervisor

Washington, D. C., March 23.—The space plan of the Pennsylvania railroad transportation proposed in the House post office appropriation bill was declared yesterday before the Senate post office committee by Victor J. Bradley, mail traffic supervisor of the Pennsylvania Railroad, to be revolutionary, unjust to the roads and at times confiscatory.

Union Station Glee Club Is New P. R. R. Organization

A new musical organization to be known as the "Union Station Glee Club" has been effected among the employees of the Pennsylvania railroad passenger station.

Ringworm—Scalp Sores

If you want speedy help try the D.D.D. Prescription. So easy to apply, not greasy or messy. It washes into the scalp and the relief is instant.

Each stone is a big bargain now and a rich investment, for Diamond values will increase at an unheard of rate within the next few years. Sale closes April 10th.

FRIENDSHIP MEN MEET TOMORROW

Important Questions to Come Up at Monthly Session; Need Rooms

An important meeting of the Friendship and Co-operation Club of Railroad Men will be held to-morrow night at Eagle Hall.

Following the election and introduction of new members, a number of questions will be discussed, including plans for a permanent meeting place. The committee on rooms was busy yesterday and to-day trying to secure desirable quarters.

This club includes all classes of railroad employees. It is a get-together movement and is organized for the purpose of creating a better feeling among the men. It has no connection whatever with any other railroad or brotherhood organization.

Norristown to Have New Pennsylvania Freight Station

Norristown, Pa., March 23.—The Pennsylvania Railroad Company has acquired \$20,000 worth of property for the erection of a freight station here.

The improvements will involve an expenditure of nearly half a million dollars.

Plans for a new freight station have been approved and work will begin as soon as the weather will permit.

Railroad Notes

In York yards of the Baltimore division of the Pennsylvania railroad on Sunday a total of 300 cars was handled. This was a new record.

Captain L. A. Port, head of the Middle division police force of the Pennsylvania Railroad, was in Harrisburg yesterday.

C. N. Shelley, an employe of the Baltimore division, has returned to work after a two weeks' illness.

Because of the absence of President Samuel Rea, no meeting of the board of directors of the Philadelphia and Reading railway was held yesterday, but is scheduled for next Wednesday.

Mike Friel and his Motive Power Department indoor baseball team lost yesterday to the Reading Railway.

An order has been placed at the Philadelphia and Reading Railway shops at Reading for ten switch engines. They will be six-wheeled and built for heavy yard work.

The position of assistant superintendent of motive power on the Reading has been abolished. It was eliminated after the resignation of Clyde C. Egan.

Employees of the construction and transportation and maintenance of way departments of the Philadelphia division of the Pennsylvania Railroad met to-night at the P. R. R. Y. M. C. A. and organize an athletic association.

Anthracite carrying railroads to-day petitioned the Interstate Commerce Commission to reduce the rate for the Lehigh region to Albany, Troy and Mechanicsville, N. Y., which were ordered to be made effective April 1. The New York Central joined in the petition.

FISH WARDENS TO MEET EACH MONTH

Are Covering Each County in Systematic Manner Searching For Poachers

State fish wardens, who were here yesterday for discussion of the stream inspection and trout season supervision work, will meet here every month for consultation and instruction.

The wardens are covering every county on a systematic inspection of streams so that every source of pollution can be checked up and the results are daily reported to the department and wherever possible agreements to install filters are procured.

The State fish wardens, who were here yesterday for discussion of the stream inspection and trout season supervision work, will meet here every month for consultation and instruction.

Army Board has awarded the contract for construction of buildings for the artillery troops at Pittsburgh to the Ley Construction Company, of Pittsburgh, at \$75,727.

The State police department has been asked to furnish men to prevent illegal trout fishing in Lycoming and Montour counties. The State Fisheries Department wardens will co-operate with them.

Supervisors Here.—The supervising inspectors of the Department of Labor and Industry gathered here yesterday and to-day for a conference. They followed the meetings held earlier in the week and the field force is now ready to handle the problem arising from construction and iron drills.

John Bacon Caught.—John Bacon, a student at the University of Pennsylvania, who headed for his home in York when he found he had scarlet fever, was corralled at Lancaster yesterday by health officers and taken home in an automobile. The car he rode in was fumigated. Bacon may be arrested when he gets well.

Bought More Bonds.—The State Insurance Fund yesterday authorized investment of \$32,000 in bonds of Butler and \$22,000 in mortgages.

Governor's Appointments.—C. Tyson Kratz, of Norristown, was appointed a member of the anthracite rate probe commission to succeed Thomas Marvial of Philadelphia, who declined appointment owing to business matters. Mr. Martindale was appointed a member of the Game Commission to fill a vacancy.

Kane Editor Here.—G. G. Smith, editor of the Kane Republican, was among the Governor's callers.

Increase Fined.—The White Deer Mountain Water Company has filed notice of increase of debt from \$225,000 to \$700,000. The Lebanon Blast Furnace Company, Lebanon, filed notice of increase of stock from \$200,000 to \$225,000.

Argument Continued.—The closing argument in the full crew cases was to-day continued by the Public Service Commission until April 6 owing to absence of counsel for the Trainmen and Railroad Conductors.

Petitions Filed.—Nominating petitions were filed at the Capitol to-day as follows: Congress, I. Clinton Kline, Sunbury, Republican, Sixteenth district; House, George S. Love, York, Democrat, First York; Lewis A. Brennan, Brandywine, Republican, Third Schuylkill; Representative Charles A. Shaffer, Berwick, Democrat, Columbia; Republican State committee,

Midvale Losing Money on Armor Piercing Shells

Washington, D. C., March 23.—To support the contention of private manufacturers that a government armor plant cannot be successful, Vice President Barba, of the Bidvale Steel Company, told the House naval committee to-day that his plant with all its facilities and technical equipment had already lost \$800,000 on a contract to make armor-piercing shells for the navy.

"And when we make delivery," said he, "we are through for all time with making projectiles for the navy under its present specifications of testing at 10-degree angle. Every naval officer we have talked to has said he hoped he would not be assigned to armor making, for he could not do it."

DU PONTS ELECT
Wilmington, Del., March 23.—E. I. du Pont de Nemours & Co. at the annual meeting of the new board of directors to-day re-elected the retiring officers and directors, with Frank G. Tallman added to the executive committee. The same officers and directors were elected for the E. I. du Pont de Nemours Powder Company, whose business was taken over by E. I. du Pont de Nemours & Co.

Word was received from the Capitol to-day that Justice Thomas J. Baldwin, of Buffalo, had refused a new trial in the cold storage egg case, which was a test case of wide influence. A penalty of \$100 and costs was imposed.

FIND POISONER IN DEEP STUPOR

last night from representatives of his office who went to Grand Rapids, including Dr. Otto H. Schulze, medical examiner, who performed an autopsy on Peck's body, which had been sent there soon after his death here on March 12. To-day the district attorney is understood to have received further information bearing on the case, which led to his decision to take the man into custody.

It was given out by the district attorney's office that Mr. Heiler had said that on two occasions she saw Dr. Waite pour something out of a bottle into Peck's soup. Peck complained of the taste, and Dr. Waite, she is stated to have said, blamed the cook. On another occasion, the maid was declared to have said, she saw Dr. Waite pour something into Peck's tea.

Mrs. Peck died here suddenly on January 29. Her husband came to New York a short time after her death to console his daughter and died on March 12. Until a day or two before his death he had seemed to be in good health. Mr. Peck left an estate valued at more than \$1,000,000 divided equally between his daughter, Mrs. Waite, and his son, Percy Peck, of Grand Rapids.

The New York district attorney has in his possession a telegram signed "E." addressed to Percy Peck, which first caused suspicions that Mr. Peck did not die from natural causes. The message said: "Suspicious aroused. Demand autopsies. Examine body."

The local authorities have not announced the names of the sender of this telegram if they have discovered it.

According to information received by the district attorney from Grand Rapids, the arsenic found in Mr. Peck's stomach was noticeable in the brain tissue, proof that the poison was administered before death. The undertaker who embalmed the body in this city asserted that there was no arsenic in his embalming fluid.

Dr. Waite and his wife took Mr. Peck's body on to Grand Rapids. Mrs. Waite remained there at the home of relatives, and reports from Grand Rapids say that she has been ill for several days. A physician attributing her condition to hysteria. Dr. Waite returned to New York and yesterday he had long talk with the district attorney regarding the case. He declined to make any statement for publication.

Dr. Waite declared that he had been told that the police were investigating his father-in-law's death for the first time last Monday. Thereupon he said he had telegraphed to his brother-in-law in Grand Rapids, demanding an autopsy.

Most Eminent Medical Authorities Endorse It.

Dr. Eberle and Dr. Braithwaite as well as Dr. Simon—all distinguished authors—agree that whatever may be the disease, the urine seldom fails in furnishing us with a clue to the principles upon which it is to be treated, and accurate knowledge concerning the nature of disease can thus be obtained.

If backache, scalding urine or frequent urination bother or distress you, or if uric acid in the blood has caused rheumatism, gout or sciatica or you suspect kidney or bladder trouble just write Dr. Pierce at the Surgical Institute, Buffalo, N.Y.; send a sample of urine and describe symptoms. You will receive free medical advice after Dr. Pierce's chemist has examined the urine—this will be carefully done without charge, and you will be under no obligation. Dr. Pierce during many years of experimentation has discovered a new remedy which he finds is thirty-seven times more powerful than lithia in removing uric acid from the system. If you are suffering from backache or the pains of rheumatism, go to your best druggist and ask for a 50-cent box of "Auric" put up by Dr. Pierce. Dr. Pierce's Favorite Prescription for weak women and Dr. Pierce's Golden Medical Discovery for the blood have been favorably known for the past forty years and more. They are standard remedies to-day—as well as Doctor Pierce's Pleasant Pellets for the liver and bowels. You can get a sample of any one of these remedies by writing Dr. Pierce.

Doctor Pierce's Pellets are unequalled as a Liver Pill. One tiny, Sugar-coated Pellet a Dose. Cure Sick Headache, Bilious Headache, Dizziness, Constipation, Indigestion, Bilious Attacks, and all derangements of the Liver, Stomach and Bowels.
