WILLARD WINNER IN HARD BATTLE

Has Best of Moran After Third Round; Big Pay For Both Fighters

Special to the Telegraph New York, March 27.—Jess Willard won from Frank Moran Saturday night in a fierce ten-round battle.

The fight went 10 rounds and for seven rounds Willard fought with a broken knuckle on his right hand, using his left jab.

Moran After Knockout Moran made a plucky effort to win by a knockout and made rally after rally to accomplish that result.

For his service Jess Willard received the cokey sum of \$52,600.

How many of us realize that this sum represents what the average American citizen gets for twenty years of endeavor?

It is estimated that Willard will make in the neighborhood of \$250,000 in 1916.

Fred Goodhart Comes Back With Aid of His Violin

THE MUSICIAN: R. CARLISE, Pa., March 28.—Attributing his "comeback" to playing a violin, Fred Goodhart of the Dickinson College baseball nine is for the first time since the summer of 1910, in good physical shape.

In the Spring of 1915 Goodhart was only able to twirl one game, that against Bucknell which he won. His arm was so lame after this contest that he dropped from the squad.

Battleship Fund Grows by Leaps and Bounds; Have You Helped?

DELPHINE DIENER Of Wormleysburg, one of the youngest contributors to the Battleship Fund.

Since the wave of popular approval of the idea promulgated by a Brooklyn schoolgirl for raising funds to flood the offices of the New York Tribune over six weeks ago with dimes and other coins, well over ten thousand dollars has been raised through the efforts of public-spirited newspapers all over the country that have followed the Tribune's lead and co-operated with the movement.

In Harrisburg the fund compares favorably with much larger cities. The two hundred dollar mark has been passed and the amounts that are daily flowing in will bring the total up to \$200 in short order, if the average continues. Like a forest fire, the sentiment is spreading and catching in many other cities, until it begins to look as though Marjorie Sterrett's idea will really bear fruit.

INTERSCHOLASTIC SEASON ENDS WITH THIS WEEK'S SCHEDULE

Central and Reading Tie Up For Lead; Thomas Is Big Star of Season; Tech Tailenders

With the final game to be played this week in the Central-Penn basketball league, Central High School will end the season in first place, while Coach McConnell's Tech High five will occupy last position.

The Tech quintet has been a decided disappointment. After getting out of its first contest, the Maroons struck a losing streak February when the team played at Reading.

Saturday night the team played at Lancaster and held the Red Roses to two field goals, but lost out, 21 to 19. Seventeen of Lancaster's points were tallied from the 30-odd fouls called on the local team.

Thomas Big Star "Bob" Thomas, junior at Central and star forward for the five, pulled down individual honors in the league. Here are some of his stunts: High scorer in field goals; high scorer in foul shots; high total scorer; leading player in average points per game; high scorer in field goals in any one game (tied with Killinger, 11 each).

Thomas has participated in all of the twelve league games and has amassed 262 points from 48 field goals and 166 fouls. This gives him an average of nearly 22 points for each game.

Captain Rote shares honors with his teammate in leading the scoring among the defensive players. In nine games Rote netted the best 27 points. This player, the best in the league, missed the two Lebanon games and the first contest at Reading.

The Central team has made the remarkable record of scoring 481 points, an average of over 40 per game, during the season, and easily leads the

Bits From Sportland The Crescent Juniors have organized for the season. The manager is Ellsworth Ditzel, 241 Crescent street.

Tech lost the final game with Lancaster on Saturday, score 21 to 19. It is claimed they were given an unfair deal by the referee.

The scores in the Evangelical Bowling League on Saturday were, when 1083, What, 963; Who, 1125, Where, 1084.

Burnham J. M. C. A. defeated the penny yard clerks quintet Saturday at Burnham, score 38 to 22.

In the Mt. Pleasant Bowling League series Saturday, the Cubs defeated the White Elephants, scores, 1338 to 1219.

Members of the Tech High School Gun Club were at Rutherford practicing on Saturday.

90 PER CENT OF AMERICAN BOYS GO INTO BUSINESS

"We are a business race, we Americans," says a writer in the April Woman's Home Companion, "nine-tenths of our boys are destined for business; and the other tenth, who enter professions, need a knowledge of how business is transacted even more. Parents who covet a clean-cut, successful business career for their boy can do him a tremendous service by laying the foundations of that career while they have him still in their own hands.
