Washington, D. C., March 29.—
Should President Yuan Shi Kai and the rebel Chinese governors who have demanded his immediate retirement fail to come to terms, officials here believe, the result would be a long and destructive civil war in China. It is known that Yuan Shi Kai has provided himself with a formidable army, according to Chinese standards, which would probably be loyal to him so long as he was willing to draw upon his large sources of revenue for their pay. So far neither the State Department nor the Chinese legation has received any official advices concerning the events in Peking since Yuan's mandate renouncing the throne.

Leading Hunt For Villa

COLONEL GEORGE A. DODD
Colonel George A. Dodd, has led
the hunt for Pancho Villa since he
left Hachita with troopers from two
regiments of cavalry. He had made
marches through the desert country
of Mexico such as have not been
made during the war in Europe. It
is believed if Villa is caught it will
be by Colonel Dodd's troops.
