that I'd never be smoke-wise until I got wise to "Tux." And now life is just one joyous pipe-dream! For "Tux" is packed so full of smiles and brightness that every luscious, long-drawn puff makes a fellow happy as a lark at sun-up.

There are three reasons for the brisk, bracing, hustling vigor you get out of Tuxedo—(1) Choicest leaf; (2) Slow, perfect ageing; (3) "Tuxedo Process."

And it's the last that brings out the best that's in the

For it's the "Tuxedo Process" that removes the final trace of harshness from the leaf and makes Tuxedo the mildest, wholesomest tobacco in the world.

Millions of dollars have been spent in vain attempts to imitate the "Tuxedo Process." But not one of the imitations has ever approached
—much less equalled—the 'Tuxedo Process," which was discovered by a doctor. Tuxedo never bites your tongue, irritates your throat, or bothers your nerves - as a week's trial will prove to you.

RELIABLE HOME TREATMENT

Geo. A. Gorgas, 16 N. Third St. and P. R. R. Station, Harrisburg; John McCurdy, Steelton; H. F. Brunhouse, Mechanicsburg.

THE other day a man said to us, "Great Scott, everybody in Harrisburg must read your Want Ad Page. About a week ago, I had some furniture in the house for which I had no further use and put a Want Ad in the TELEGRAPH to see if I couldn't sell some of it. Well, sir, I could have sold a carload of furniture from that one little Want Ad."

And this man is well known in Harrisburg—his name is withheld on request.

Hundreds of others are taking advantage of these little money-savers. Is your attic or basement overloaded with a lot of useless furniture, an old stove, or perhaps a carpet or two? Turn 'em into cash, the Want Ad way. Just call 4100 and let us help you word your ad. It'll cost but a penny a word. What this other man has done, you can do, with a TELEGRAPH Want Ad.

smootness as reen and cool as a babys.

The thought of shaving is naturally distasteful to most women, but with El Rado, a sanitary liquid toilet preparation, the hair may be removed in a way that is pleasant, harmless, and altogether womanly.

El Rado removes hair from the face, lip, neck or arms by dissolving it in a few moments, almost like weaking it off. Easily applied with piece of absorbent cotton, and does not increase or coarsen later hair growth. You can help a lot by suggesting El Rado to the woman in doubt. Money-back guarantee. At all toilet counters, 50c and \$1.00.

Removing the hair from the underarms with El Rado relieves the annoyance and discomfort of excessive perspiration. While absolutely necessary for the wearing of sleeveless gowns and sheer blouses, the hair is removed as much for comfort and cleanliness as to meet the dictates of fashion. It has enabled many women to discard the cumbersome dress shield with perfect safety, and insures an underarm smoothness as fresh and cool as a baby's.
