METAL ilver Zine Copper Lead Gold COPPER

The remarkable increase in the demand for the metal is bound to force even greater profits into the treasuries of the producers, and will reflect greater earnings than ever recorded.

SILVER The effect that the increasing price for the metal will have on the producers is accurately de-scribed in our weekly market let-

ter. We have made a careful study of the Metal Situation and are in a position to keep you posted, and point out opportunities for profitable investments and speculation. Our weekly letter and detailed reports are sent without charge
