

BUFFALO TO PLAY ALBRIGHT TEAM

BISONS PREPARE FOR FIRST GAME

Play Albright College Team on Island Field Tomorrow Afternoon

By OY KLONE
With only a few hours left in which to whip his team into A1 shape for the first exhibition game of the season, to be played to-morrow on the island grounds with "Pop" Ketchner's nine of Albright College, Manager "Patsy" Donovan led his trusty ball tossers to the grounds of the Harrisburg Academy early this morning to put them through three hours of real hard practice.

Starting at 10 o'clock, Manager Donovan had the boys hard at it, batting, fielding and running the bases, while the pitchers and catchers were paired off warming up.

One of the most notable features of the past few days' training has been the work and condition of Guy Cooper, the former Red Sox pitcher, who, after having played several games with the Georgia Tech team at Atlanta, Ga., early in this Spring, is in wonderful condition. His speed, curves and control are remarkable. He will pitch to-morrow. "George" Gaw, who won the pennant for the Buffalo team last year by pitching a game which made history in the International League, is ready to duplicate if necessary this year.

Ty Tyson, who first gained prominence by his pitching for a semipro team in Niagara Falls against Federal League teams, is also on the firing line with the other members of the pitching staff.

Channell Back in Game
Captain and Right Fielder Lester Channell, who upon two occasions was identified with the Yankees, is back at his old position. Channell has a bad leg, having broken it three times in five years. His batting, which has given him an average of over 300 for the past five years, is greatly relied upon by "Patsy." In to-day's practice Lester proved that his eye and heavy, steady swing has lost none of last year's quality. Kopp, who came to the Bisons in the deal whereby Judge and Jamison were sold to the Senators, is holding down center field. Bud Holmes, who batted 268 on the Lynn team of the New England League, is being worked out in left field.

Jack Hummel, the "old vet" from the Brooklyn Nationals, who with an accident in yesterday's practice which will keep him out of the game for a few days, Holmes, who was practicing some snap hits, threw his bat along the ground, striking Kopp on the shin, inflicting a cut which necessitated two stitches being taken in Jack's leg.

The line-up for Saturday's game as near as can be told from the present outlook will be: Carlston, first base; O'Neill, second base; Lonergan, shortstop; and McDonald, third base. The outfield will be Channell, right; Kopp, center; and Holmes, left field.

Guy Cooper will open up on the twirling, while Onslow will smatch from behind the bat.

The schedule for next week will be: Tuesday, Susquehanna University; Wednesday, Harrisburg Motive Power; Thursday, Dickinson College, and Saturday, Lebanon Valley.

HARRISBURG ACADEMY COACHES TAKE UP TRACK AND TENNIS

COACH SMITH
In charge of fast track team.

COACH PHIPPS
Who is training a record tennis squad.

Coach Smith of the Harrisburg Academy has been very busy for the last six weeks, having the largest crowd in the history of the school report to him for track work. Five men will be selected to send to the Penn Relay carnival on April 29.

The local school will be entered against strong competitors. Among others will be the York County Academy, York Collegiate Institute, Kiski-

minnetas Institute, East Liberty Academy and Lerch's Academy.

Coach Phipps of the Academy tennis team has been a very busy man for the last week or so. A league between the Central and Technical high schools and the Academy will probably be formed and the matches will be played off in the early part of May. The team will be composed of six men, selected from the upper school of the Academy.

Hassett Girls' Final Game; Play Sunbury Five Tonight

At Cathedral Hall to-night the girls' division of the Hassett Club will meet the Sunbury Y. W. C. A. girls. This game will close the season for the local five. A preliminary contest will be played by the Marion girls' team. Having sent challenges all over the State and received no acceptances, a victory over the Sunbury girls to-night will give them the undisputed championship of the State. The Hassett girls defeated Sunbury several weeks ago by a decisive score.

TENNIS STARS ON TECH HIGH SQUAD

Candidates Start Practice Today; Plan Series of Scholastic Contests For This Year

Candidates to the number of 50 reported this afternoon to Professor Shreiner, in charge of tennis at the Technical High School, to compete for positions on the school team.

The six players who represented the school last season in the triangular meet are still enrolled at the Walnut street institution, and will compose the team to start the season. Professor Shreiner will inaugurate the challenge system, and if any of the other candidates can defeat the present members of the team, the winners of the several matches will be representatives in the several classes until they are defeated by other players.

Triangular Contest
It has been decided to hold the annual triangular contest between the Academy, Central and Tech again this year, and a cup will be purchased and presented to the winner. Last season the plan was inaugurated and at the end of the series Tech and the

Academy players were tied for the lead. In the play-off the Academy leads carried off the cup.

Other candidates at Tech who look promising are Sherman, Gouger, Weidenmyer, Brough, Paul, Baxter, McGann, Reynolds, Harbison, Kay, Killinger, Martin Miller, Eyster, Demming, Wright, Kravbill, Musser Miller, Esterly, Gilbert, Ross Harmon, and Patterson. In addition to this list there will be a number of the first-year boys who will try out for the single and double teams of the school.

Final Classification For College and School Relays

Philadelphia, April 7. — The final classification of the colleges and schools entered in the various relays except the championship events were announced to-day by the management of the University of Pennsylvania's relay carnival, which will be held on April 28 and 29. Although the championship entries will not be finally decided until the end of this week, a representative list of starters is already assured.

In the one-mile race the entries are Harvard, Chicago, Princeton, Dartmouth, Kansas, Wisconsin and Pennsylvania; in the two-mile they are Michigan, Kansas, Princeton, Yale and Pennsylvania, while Cornell will meet the Massachusetts Institute of Technology team that defeated them at the indoor intercollegiate in the four-mile championship event.

Other colleges represented in the special events include Illinois, Missouri, Notre Dame, Kansas, Indiana, Occidental, Brigham Young, Iowa State and Georgetown University.

Tech High School Shoot to Be Held at Rutherford

The Technical High School Gun Club will hold its first shoot to-morrow afternoon on the grounds of the Rutherford Shooting Association grounds with the team representing the P. and R. Y. M. C. A. The candidates for the team have been receiving daily attention at the hands of Professor H. B. Shreiner, a member of the Tech faculty, as well as from H. B. Shoop, the local crack shot.

Each member of the team will shoot at 25 targets, and the team to represent the school will be picked from captain Miller, Sarvis, Stevens, Hempf, Cocklin, Shoop, Hahn, Reigster and Trullinger.

Yesterday's Baseball Scores

League Battles
Pittsburgh Nationals 3; Louisville Americans 2.
Boston Americans 6; Brooklyn 0.
Georgetown 6; Navy 4.
Virginia 12; Williams 6.
University of Alabama 4; University of Illinois 9.
Cornell 4; Swarthmore 8.
Princeton 0; Fordham 4.
Dartmouth 2; New York University 1.

NEW LEAGUE IS NEAR COMPLETION

Officials Here Today; Important Meeting in This City Friday April 14

Officials of the Pennsylvania State League arrived in Harrisburg to-day. Abraham Rosenbluth, president, with Leo Groome have been making a tour of the circuit and report conditions improved. Every indication points to a successful opening on May 10.

Lancaster was visited yesterday, and this morning President Rosenbluth and Mr. Groome were in York. Arrangements were made to take over a plot of ground near the central portion of the city.

President Rosenbluth announced on his arrival here that the league as completed, with eight clubs: Lancaster, with I. B. Reinhart as president, and "Wild Bill" Dahlen, of Brooklyn, or Bill Phillips, National Leaguer, as manager; Reading, James T. Sheppard, manager; Harrisburg, George Cockill; Lebanon, Hugh McKinnon; Allentown, Billy Keeler; York, Lew Ritter; Altoona, Percy Stetler.

Protection Assured
Mr. Groome stated that President Toner of the National League, is favoring their movement and will see it gets protection. The Lancaster team has 22 men under contract, who will report April 27. The season opens May 10.

In a letter from J. Percy Stetler, the information was given that grounds would be available in both Altoona and Johnstown, and that in all probability these cities would be represented at the meeting to be held in Harrisburg on April 14.

O'Donnell's Duck Waddle Is Latest Football Rush

Special to the Telegraph
Lafayette, Ind., April 7.—The German army's famous "goose step" has not a thing on the new Purdue "duck waddle," introduced to the members of the football team by the new coach, Cleo O'Donnell. And the "duck waddle" is no parade step, either, but a new mode of battle advance for the rush line. Crouched until knees almost touch the ground and with one hand dragging and feet far apart, the members of the Purdue spring training squad are learning to cover the ground rapidly and to resist all efforts to overturn them or force retreat.

WELLY'S CORNER

Baseball will get a further boost to-morrow in Harrisburg when the Buffalo International League will line up against "Pop" Ketchner's Albright college team. With fine weather a record crowd is looked for. Manager Pat Donovan is whipping his men into shape, and an interesting exhibition can be expected.

The West End A. C. will play Lebanon Valley college to-morrow afternoon at Annville. With the first victory over Mercersburg, Manager Frank Heiney is of the opinion that he will give the collegians a hard chase. Practically the same team that played at Mercersburg on Wednesday will go to Annville tomorrow.

Al Lawson has not yet received a permit to erect new stands and bleachers at Lauer's Park, Reading, or even make improvements. The building inspector insists on regular blue prints and substantial evidence that the changes will be according to law, and everything possible done to make the seats safe for patrons.

That Al Lawson scents defeat in his plan to launch the Atlantic League is shown in another failure yesterday to come to terms with the State League officials. Lawson agreed to give President Rosenbluth Reading and Paterston franchises providing the management at Reading would be turned over to Lawson. The offer was turned down.

Some lively milling is expected by local fight fans on Monday night in the West End Republican Club boxing show at Chestnut street auditorium. The promise of a 10-round bout has attracted much attention among Harrisburg patrons, and Frankie McGuire and Joe Hunting have everybody guessing as to the result. Both fighters are training hard for this battle.

Frank Filling who will be director general of the boxing show at the Auditorium Monday night has been handling young fighters for a number

of years. In Battling Morgan of Baltimore, a bantam weight, he has had a big winner. Morgan will meet Mickey Brown of Philadelphia another fast boy on Monday night.

Since the introduction of the boxing game in Harrisburg, local boxers are looming up and are in training in order to go up against out of town boxers. Sam Looker, well known to Harrisburg enthusiasts, will be in the ring at the Orpheum next Wednesday night and will meet Fighting Ben Finck of Lancaster. Manager J. J. Church has Looker in charge, and is giving him hard work in preparation for this battle.

Ice Keeps Food Right
at this season of the year. The temperature in your refrigerator is about 40 degrees.
Food placed on your back porch or on the window ledge is exposed to temperature of 30 to 40 degrees during the night. During the day the temperature will rise to 60 or 70 degrees or more.
This rapidly changing of temperature will make butter soft, milk sour and fruits and vegetables spoil.
A phone call will bring our wagon.
