

NEEDS SUPPORT OF SCHOOL CHILDREN

Marjorie Sterrett Is Indefatigable in Her Efforts to Stimulate Interest

Contributions to the Marjorie Sterrett battleship fund are still coming in, with somewhat diminished speed, but no less regularity. Like the incoming tide, the total is creeping upward and upward, and whether the amount needed for the building of an American battleship is ever reached or not matters little; the important thing is that the splendid patriotic spirit of the youngsters who will someday do the big things of city, State and country are the ones who are giving of their dimes and quarters in order to further the idea of preparedness for peace which in recent months has become the leading thought in the minds of Americans.

Obey that impulse! Don't put off giving your share! Ten cents worth of patriotism doesn't seem like a great big bit, but it is the spirit and not the concrete evidence of that spirit that is most important. If not a single cent more should accrue for the battleship fund through the contributions to this newspaper as Marjorie's agent, we would be satisfied, for it has assisted and all the boys and girls who contribute have assisted in spreading and promulgating that American spirit of independence and ability to stand by oneself, which has been one of the predominating characteristics of Americans from the beginning. It is not enough. Every school girl and boy surely wants to have a share in the building of "The America," and the quicker the amount needed is raised the better. Send along your dime, or if you haven't the change, send a dollar. Nothing is too small or too large. Harrisburg must keep well in the van in this wave of patriotism which is spreading all over the country, carrying on its crest hundreds of thousands of people.

HEAT FLASHES, DIZZY, NERVOUS

Mrs. Wynn Tells How Lydia E. Pinkham's Vegetable Compound Helped Her During Change of Life.

Richmond, Va. — "After taking seven bottles of Lydia E. Pinkham's Vegetable Compound I feel like a new woman. I always had a headache during the change of life and was also troubled with other bad feelings common at that time—dizzy spells, nervous feelings and heat flashes. Now I am in better health than I ever was and recommend your remedies to all my friends." — Mrs. LENA WYNN, 2812 E. O Street, Richmond, Va.

While change of life is a most critical period of a woman's existence, the annoying symptoms which accompany it may be controlled, and normal health restored by the timely use of Lydia E. Pinkham's Vegetable Compound.

Such warning symptoms are a sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness.

For these abnormal conditions do not fail to take Lydia E. Pinkham's Vegetable Compound.

Has Winter Left You Run Down?

Are you weakened and debilitated from the long and trying winter? Have you suffered from the sudden changes of weather? Do you feel the need of something to renew your strength, and put your blood in order? Then you surely need the friendly help of

BEECHAM'S PILLS

During winter's cold, the body does not expel the impurities from the system, as it does in warm weather. They accumulate, remain in the stomach, liver, kidneys and blood, making you feel sluggish, headachy, "under the weather" and grouchy. Beecham's Pills will soon make you feel like your self again. They purify the blood, tone the stomach, and aid the organs of elimination. They cleanse the system—regulate the bile and bowels, strengthen the bodily functions and help to
