### MADE SURVEY OF NEW COAST TO COAST HIGHWAY

Cadillac "8" Lays Out
New Touring Roadway

Laying out the route of the new Southern National Highway, from San Diego, Cal., to Washington, a Cadillac Eight recently achieved the distinction of making the 3,500 miles in 26 miles. The expedition was planned and executed by the Cabrillo Commercial Club of San Diego, for a preliminary survey, or pathfinding tour, over a transcontinental route which will be open to motor touring all the year round. When the new highway is realized, it will traverse eight States—Southern California, Arizonia, New Mexico, Texas, Arkansas, Tennessee, North Carolina and Virginia, with a Colorado river. Here engineers have

California Car Owners Ready to Pursue Villa Under Military Guidance

The motorcar stands out as a vital factor in the pursuit of Villa. United States military authorities have been quick to recognize the value of dependble automobiles for service in the de-

States military authorities have been quick to recognize the value of dependable automobiles for service in the desert and mountain country in northern Mexico. Closely following the gift of 140. Maxwell cars by Texas owners to General Pershing, come the announcement from California that a company comprised entirely of Maxwell owners is ready to cross the border.

Lieutenant L. P. Clark, commander of the first company of the California division of the motor reserves wired Secretary of War Baker, as follows:

Tor the invasion of Mexico I wish Company Culf the services of First Company Culf the services of First Company Culf the services of First Company Culf the services of General Pership of the Service Corps composed automobile Reserve Corps composed automobile Reserve Corps composed for duty. L. P. Clark, sales manager for the Lord Motor Car Company, distributors of Maxwell cars fully equipped for duty. L. P. Clark, sales manager for the Lord Motor Car Company, distributors of Maxwell cars for military purposes. These cars are at the disposal of the War Department for immediate service.

The motor reserve movement was originated about a year ago, primarily through the efforts of Al. Waddell, a Los Angeles newspaperman. It has spread over the entire United States and many of the States boast of a complete organization. One of the best of these is in New York State.

Much effort has been spent in performant Lymp P. Clark, sommander of First Company at the disposal of the War Department for immediate service in Mexico.
