GEO. H. SHAFFER.

NOTICE — The stockholders of the Harris Building and Loan Association will meet at the Commercial Bank, at the commercial Bank, at the commercial Bank, at the commercial Bank, at the commercial for the nomination of officers and first the nomination of officers and first the same place at 8 P. M., on May 15, Secretary. That the present month's building operations promises to break all previous April records is indicated by the unusual amount of the first week's permits. To-day the estimated building operations according to the records of the building inspector's office, total \$91,120. For the entire month of April, 1915, the permits issued totaled \$95,575.

The biggest single boost for April thus far was W. E. Orth's permit to build a 5-story modern laundry in Sixth street near Herr at a cost of \$50,000; a \$24,000 item was the permit for the twelve houses that are to be built in Reel street by H. J. Heinley and J. C. Thompson, while City Commissioner W. L. Gorgas added a \$9,200 permit for six houses in Wiconisco street. The other large item was Mary E. Hershey's permit to remodel the old Hummel house at Front and Market streets at a cost of \$5,000.

Hill Shoe Company Takes First Step to Abate Long Standing Nuisance

Partial solution of the "smoke nuisance" problem which has annoyed the residents of the Hill sections of the Eighth and Ninth wards for months has been worked out by the Devine & Yungel shoe manufacturing company in substituting electricity for steam

motive power.

Several months ago a lot of the residents of the section, which includes many of the newer little homes on the Hill, organized in a mass meeting to make a formal protest against the

make a formal protest against the smoke.

The Devine & Yungel plant, the Russ Brothers ice cream establishment and the Sanitary Laundry, in Sixteenth near Walnut, were the chief manufacturing firms complained of.

To date all these firms have evinced their desire to co-operate with the people of the neighborhood in trying to reduce the nuisance of the smoke. The Russ Brothers plant has installed a new grate and the laundry has put in different facilities which will evenually help to reduce the trouble to a minimum. The Devine & Yungel company, however, went a step farther; that enterprising little firm electrified its whole plant.
