

LOCAL SCHOOLS IN NEW CLASS FOR RELAYS---BISONS RESUME WORK--BOXING

BISONS TRAIN ON ACADEMY FIELD

Chilly Blasts Make Warming Up Practice Necessary; Hummel Out of Game

By "CY" KLONE

Patsy Donovan with his trusty Bisons made an early start this morning for the grounds of the Harrisburg Academy, where, despite a sharp cutting wind they continued to get in form for their first game of the training season to be played with Susquehanna University on the Island grounds to-morrow.

All members of the herd took precaution in this morning's practice to keep their arms covered by heavy clothing, for out on the Academy grounds a cold westerly wind swept the diamond giving no quarter to the ball tossers.

Instead of starting this morning's practice by getting right down to throwing the ball and batting, all the boys took a turn around the track to warm up.

No Change in Workout

The work of the boys remains unchanged although every member of the team with the exception of sunny Patsy is complaining about the weather.

Manager Donovan is always cheerful as was evidenced by a remark he made yesterday when asked where he would practice Monday: "Well, if it's clear we'll go out to the Academy and if it rains or snows the boys will work out in the gym. There's plenty of time, and this bunch don't really need very much hard training for they are all in good shape right now."

Jack Hummel's leg is still troubling him, and from present indications will be out of the game for a few days.

The line-up for to-morrow's game will probably be as follows:

Kopp, center field; Channell, right field; Carlstrom, first base; McDonald, third base; O'Neill, second base; Holmes, left field; Loneragan, short-stop; Onslow, catcher; Cooper, pitcher.

TYRUS COBB MEETS BIG BENNIE KAUFF; THESE STARS SHAKE HANDS, SMILE AND TALK

BENNIE KAUFF TY COBB

This photograph shows the first meeting of Ty Cobb, believed to be the greatest baseball player the game has known, and Bennie Kauff, who says he is going to take that position on the diamond. "Who's this guy Cobb, anyway?" Bennie asked when he was told that Cobb might not let him become the greatest player. Howver, the fight will be wholly professional, as is proved by the fact that each smiled his sweetest when they were photographed in Texas.

Presents For Philadelphia Players on Opening Day

Special to the Telegraph

Philadelphia, April 10.—One of the features of the opening of the National League season in this city on Wednesday, announced by the Phillies' management, is the presentation to every member of the champions who participated in the world's series of a handsome souvenir. The movement for rewarding the Phillies for bringing the first National League pennant to Philadelphia was started last Fall, and E. T. Stotesbury, James P. McNichol and Fred T. Chandler were appointed a committee to select the gifts, which will be presented to the players on opening day.

The Philadelphia club announces that it has adopted as its official colors the blue and gold emblem of the city and that these colors will fly every day during the championship season from a new staff erected atop the clubhouse in right center field. The usual band concert and time-honored ceremonies are scheduled for the first game.

WELLY'S CORNER

The Harrisburg Baseball Association, will be organized early next week if present plans are carried out. Leo Groome is the owner of the local franchise. He proposes to capitalize the new organization at \$15,000. Limited amount of stock will be sold to Harrisburgers. The price per share is \$50. Mr. Groome gave notice that it is strictly a business proposition, and that the stock does not include book privileges.

It is planned to place the local club affairs in charge of a well-known Harrisburger, as Mr. Groome has New York interests he must look after. He expects to open headquarters in Harrisburg within three weeks. Those desiring stock are requested to make application at once to William R. Douglass.

The Pennsylvania State League will meet in Harrisburg on Friday. At this time it is expected the promoters will make a complete report. Lancaster and Reading have been moving fast and at least 30 players have been signed up in these towns. Manager George Cockill is looking after his players and hopes to make a favorable report at the league meeting.

Red Crane is keeping busy at short-stop. At Norfolk, Va., on Saturday he had seven chances, taking them all. His work was a feature of the game and at times sensational.

Manager William Carrigan of the Boston Americans sold Tris Speaker to the Cleveland club. It is said this sale included a price far in advance of that paid for Collins or Baker. Speaker has not yet agreed to the deal.

er of Oklahoma; Walter Houser, a second baseman from the New Haven team, and Fred C. Somer, a semi-professional.

Bill Dahlin is said to be negotiating for the manager's job, and if the management does not come to terms with him, Fred Jacklitsch will be selected.

World's Indoor Pole Vault Record Is Broken Twice

Special to the Telegraph

Chicago, Ill., April 10.—The new world's indoor record in the pole vault, made jointly by Percy Graham and Ed Knourki at the Central A. A. U.'s annual indoor meet Saturday night, came after a struggle between the two for the championship that lasted well into Sunday morning.

Knourki, a working boy, who wears the colors of the Illinois Athletic Club, was first to cross the bar at the new mark of 12 feet 10 1/4 inches, but Graham also surmounted it on his first trial. Thereafter neither could equal his vault, and in the jump-off with the bar lowered Graham won the championship.

Graham, now a freshman at the University of Chicago, began his pole vaulting career a few years ago when a student at the University high school here. Both he and Knourki will be credited with the new mark, which beat by more than two inches the record made by Gold, of Wisconsin, at Evanston two years ago.

Battling Morgan Here For Eight-Round Fight

Fighters with their seconds and managers who will be on to-night's program at Chestnut Street Auditorium reached Harrisburg to-day at noon. They are said to be a husky bunch and promise much that is interesting. An important battle to-night will be between Battling Morgan, the bantam-weight, and Mickey Brown. It will be an eight-round contest.

Morgan is a great favorite at Baltimore and in the South. His opponent is a fast boy and will give a good account of himself. The wind-up will be between Frankie McGuire and Joe Hunting. This will be a ten-round contest. Others on the program include Kid Whitten, of Baltimore, and Tim Dronoy, of Lancaster, and Willie Green and Henry Smith, Harrisburg. The referee will be Abe Ulman, of Baltimore, and Captain Frank Pflanz, who has charge of the bouts at Baltimore, will direct the program.

Post Office Candidates Out; Material For Strong Team

The first call for candidates for the post office baseball team was issued to-day. These players will practice every day.

Taylor, Kuriz, Ciekner, Kirk, Dan Duddow, Bill Hepford, Kid Stutzman, Sam Ludlow, Laverty, George Hepford, Pepper, Hensel, Bill Cassell, Fitting and Schang and Pierson, field. Manager Ludlow expects to pick a team from this material that will surpass the crack team of several years ago.

The players after an absence from the diamond for two years are hungry for the game. An order for new uniforms and equipments has been given to George W. Bogar. Games are now being scheduled with all of the first class teams in Central Pennsylvania. A series of games have been arranged with the Lancaster post office team. Any first class team desiring a good attraction should write "Dick" Weaver, business manager, Harrisburg, Pa.

16 Hurt When New Haven Express Jumps Tracks

Thomaston, Conn., April 10.—Prompt action on the part of Engineer Carl H. Holme, of Waterbury, saved many lives on the New Haven road yesterday, when his train, running 35 miles an hour, was derailed by a head-on switch between here and Waterbury. Sixteen persons were injured.

When about 400 feet from the switch frog at Jericho siding, which had become clogged with frozen snow, Holme became suspicious and threw on the emergency brakes. As a result only the engine, baggage car and two coachmen, left the rails. The engine went down at Jericho siding, carrying with it Holme and his fireman, but neither was seriously hurt.
