Jack Ozar, College Wrestler, to Meet Mort Henderson

Special to the Telegraph
 Annville, Pa., April 11.—One of the biggest athletic events that have been held in this vicinity will occur Wednesday evening when Jack Ozar, the Lebanon Valley College champion wrestler, will meet Mort Henderson, the masked marvel of Altoona. Henderson has created a wonderful record for himself by throwing some of the fastest men in this country. He will outweigh Ozar by fifty pounds.

Ain't It The Truth?

You are regarded with suspicion when you have to work late at the office:

You are liable to get arrested if you offer to escort an old lady across the street:

But you are as popular as a rich bachelor at a summer resort when you pass around your cigarettes.

'Cause they're MECCA!

Ain't It The Truth?

The tobaccos of the mild Turkish blend of MECCA are aged from 2 to 3 years.

These thoroughly ripened and mellowed tobaccos are then combined in the MECCA Turkish Blend by skillful blend-experts.

A wonder for Quality—a marvel at the price—that's MECCA.

FIGHTERS GIVE FANS GREAT SHOW

Windup Is Bloody Battle; McGuire Gets Public Decision; Other Good Bouts

Local fight fans were given thirty-five rounds of the fastest kind of fighting last night at Chestnut Street Auditorium. It was the first of a series of boxing shows under the auspices of the West End Republican Club. There were 1,600 spectators present, including thirty-five women. Everybody was more than pleased.

New features on last night's bill were a 10-round and an 8-round mix-up. Both exhibitions furnished plenty of excitement, but at the conclusion opinions were divided as to the advantages of bouts going over six rounds when no title is at stake. One thing strongly objected to last night was the frequent calls from spectators to the men in the ring. Only once was an effort made to stop this feature, when Frankie Erne, the former Harrisburg boxer, called an officer and asked him to quiet several noisy fans.

Windup Hard Battle
 The windup between Frankie McGuire, of Williamsport, and Joe Hing, of Philadelphia, was one of the bloodiest battles ever seen in Harrisburg. McGuire outpointed his opponent, but the latter was game and took hard punishment. It was a close fight, but McGuire's stiff punches, the bull dog tenacity shown by Hing pleased the crowd. Several times he looked like a goner, but came back strong.

In the semi-final eight-round bout between Bathing Morgan and Texas Kid, of Philadelphia, who was substituted in the place of Mickey Brown, who had been knocked out from the ring "had cold feet," the Texas Kid proved to be one of the toughest opponents the "Battler" ever tackled. This bout was greatly menaced by the persistent clinching of both fighters. Morgan showed he knew the fighting game, but he was a disappointment to many last night.

Harrisburger Scores Knockout
 Willie Green, the Harrisburg boy, sent Henry Smith, of Baltimore, to dreamland in the fifth round. Green showed remarkable improvement over his previous efforts and gave evidence of being a comer. His opponent was a hard slugger. A right to the jaw with a stormy punch dropped Smith. He was too tired to try to come back. Smith tried hard to cover up in clinches.

Patsy Sylvester, of Philadelphia, who substituted for Kid Whitten, in the bout with Tim Doney, of Lancaster, kept the latter busy at every turn of the game. It was a case of hit and get away for both boys. Doney has a lightning short swing and a fast jab, but was slow on the foot work.

An extra bout staged between Curdie Cummings, of Baltimore, and Eddie Costigan, of Harrisburg, resulted in a draw. The boys each fought hard throughout the bout and both took an assortment of punishment. The next show will be held in the Chestnut Street Auditorium on May 8.

Can't Store Boats on Granolithic Walk of River Front Wall

Storing of boats of any description on the granolithic walk of the River Front wall, even temporarily, will not be tolerated by the park department, according to City Commissioner E. Z. Gross.

Park Commissioner Gross made that emphatic statement yesterday in ordering the removal from the wall near Boas street of a big boat that had been pulled upon the walk. "We prefer not to have the boats on the bank at all," said Mr. Gross, "but there are times possibly when this can't be avoided, especially during high water. However, there is ample room between the toe of the embankment and the edge of the walk for this purpose, so that it is not necessary to block up the walk with craft. We're not going to permit anyone to set a precedent and for that reason we've ordered this boat off the walk."

Gross started a force of men clearing away the accumulation of mud and other debris which had been washed upon the walk just below the gap at "Hardscrabble."

C. of C. Praised For Its Fire Prevention Work

In the March issue of the "Automatic Sprinkler Diffuser" the activity of the Harrisburg Chamber of Commerce in urging the installation of automatic sprinklers as a protection against fire is discussed in a special article.

The Chamber of Commerce, under date of November 28, 1915, issued a circular letter to the business, manufacturing and banking men of the community in which it urged them to safeguard themselves and their business places by thoroughly equipping their plants with automatic sprinklers. Not only is the entire letter reproduced but certain striking sentences are emphasized in bold type at the top of the article.

MINISTERS REORGANIZE

More than fifty ministers of the city churches yesterday took the initial steps toward reorganizing the Harrisburg Ministerial Association by discussing the newly framed constitution and appointing a committee to nominate officers for the ensuing year. The election will be held at the next session of the preachers, April 24, in Zion Lutheran parish house. Dr. Lewis S. Mudge, pastor of Pine Street Presbyterian Church, presided at yesterday's gathering. The meeting yesterday was held in the John Y. Boyd Memorial Hall.

HOLD TWO FOR LARCENY

Roger Polston, charged with larceny and forgery, was held for court under \$700 bail by Alderman Bolton after a hearing yesterday afternoon. Robert Wilkinson, for stealing a bench from a house in Reily street, was held for court by Alderman Shaner last night.

MEN'S LEAGUE BANQUET

Members of the Men's League of Westminster Presbyterian Church held their annual banquet last night in the church social room. Addresses were made after the banquet by the Rev. E. E. Curtis, pastor of the church, Dr. H. B. Walter and D. D. Hammett. Music was furnished by Stewart Black, Edward Crow and Robert C. Smith.

BUFFALO TEAM PLAYS FIRST GAME

Susquehanna University First on Bill to Meet Donovan's Bisons at Island Park

By Cy Klone
 "Things are coming my way," said Patsy Donovan this morning when he found the sun shining and indications favorable for a game at Island Park this afternoon. The Susquehanna University squad was scheduled for a game with the Buffalo Internationals this afternoon. The exhibition was scheduled to start at 2.30 o'clock.

Manager Donovan selected Guy Cooper to start the work on the hill. He was a bearcat at intervals last season and a factor in victories. Smith will also be given a trial. It was not certain whether Tyson would try out for one or more innings. The weather is not right for this boy.

"Kid" McCabe, a pitcher, came in last night. He has been spending the winter at Hot Springs and is in excellent condition. George Jackson, the star outfielder, was another arrival, and will get into uniform to-day.

To-day's lineup included:
 Kopp, centerfield; O'Neill, second base; Hummel, Carlstrom, first base; Chappel, D. Smith, rightfield; McDonald, third base; Jackson, Holmes, leftfield; Lonergan, shortstop; Onslow, Wilder, catchers; Cooper, McCabe and C. Smith, pitchers.

Harrisburg to Send Big Quota to Phone Meeting

Harrisburg will be well represented at the third annual convention of the Eastern Pennsylvania Independent Telephone Association in Lancaster April 13 and 14. The business meeting will be held in the Hotel Brunswick and the opening session will begin at 3:30 o'clock on Thursday. On the next day a report of the service and traffic engineers will be featured of the program. The entertainment has provided a lot of fun for Thursday evening.

O. K. Kines, of this city, is secretary of the organization.

TO TELL OF SOCIAL CENTERS

At a meeting last evening of the Gallahad Recreation Athletic Club representatives of the Social Workers' Club told how the various athletic and similar organizations of young folks in other cities co-operated with organizations like the Social Workers' Club to develop the community social center idea. Miss Matilda Hiestler, chairman of the committee on investigation, led the discussion.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutionally remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian tube. When the tube is inflamed you hear a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless you have a cure caused by Catarrh, which is nothing but an inflamed condition of the mucous surface. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

TOSSERS IN FORM FOR HARD BATTLE

Central High and Reading Play at Lancaster Tonight; Expect Large Crowd

With a guarantee of 500 rooters from Harrisburg and Reading there will be a scarcity of room at Lancaster Auditorium to-night, when Central High lines up against Reading in the final scholastic game. This was the opinion expressed by Professor Bertram W. Saul, athletic director at Central High. He has reserved a section for the local rooters and there need be no worry, according to his statement.

The Harrisburg crowd will leave this evening at 6.24 over the Pennsylvania railroad. Returning the train leaves Lancaster at 10.20 to-night. Reading is also sending a big crowd by special train over the Reading railroad.

Both teams are in prime condition for to-night's battle. Reading will have their regular line-up, as Johnny Dietrich, who was out of the game with a sprained ankle, will be able to play. There will be no change in the Central team. The line-up follows:

Central. Reading.
 Wallower, f. Snyder, f.
 Thomas, f. Winters, f.
 Houtz, c. Wendler, c.
 Rote, g. Rhoades, g.
 Hilton, g. Dietrich, g.

Title Aspirants to Fight at Orpheum Thursday Night; Charley Collins in Windup

Fighters with records and aspirants for the honors have been picked for the fourth boxing show at the Orpheum theater, Thursday night. The windup will be between Charley Collins of Columbia one of the best midweight men in Central Pennsylvania; and Joe Phalen of Philadelphia.

The management of the Keystone Sporting Club may not stage any 10-round contests, but in the future have a reputation, and not exhibitors. Collins has met the best men in his class including Leo Houck. Phalen is said to be a comer.

The semiwindup will be between Jule Ritchey and Terry Martin. This matter is attracting unusual interest. Fights have also been scheduled between Eddie Sullivan and Jack Kattrow, New York; and Kid Smith and Dutch Shafer, the latter a Waynesboro boy.

Baseball Stars Ready For Opening Battles; Majors Get Going Tomorrow

The clarion call of "Play ball!" will echo through the land to-morrow. These stirring words will mean more this season than ever before, for they will mark the beginning of a new era in baseball. No more baseball strife, no dissensions or internal disorders to disrupt the many major league teams, no more exalted views of the players in their connections with the magnates.

With the defection of the Federal League the players realize that they now are mere baseball chattels, and as such will devote all their energies toward the betterment of the positions of their respective teams in the two league races.

It is estimated that upward of 175,000 red-blooded Americans will flock to the eight big league parks to usher in the new baseball season—a season that is expected to be the most prosperous from a financial standpoint, and more uncertain and therefore more bitterly fought, from a playing viewpoint, than any in the annals of the national pastime.

Alaska Dog Race Starts; Trail in Fair Condition

Nome, Alaska, April 11.—The great sporting event of the far north, the annual all-Alaska sweepstakes dog race, focused attention to-day on Nome, the starting point of the 412-mile contest over the snow trail to Candle and return. Two thousand dollars was the purse, obtained at the sweepstakes carnival last Saturday night. The entrants are the winner of last year's race: Seppala, with 17 dogs; Bobby Brown, with 12; Fay Deigne with 14 and Paul Kjegsted with 15. The trail is in only fair condition, the weather of the last few days having been too warm to insure a fast race.

Tech Varsity Men Select New Captain

At a meeting yesterday of the fifteen football warriors who earned a varsity position on the Tech High football team last fall, "Eddie" Harris, a star back on the squad, was elected captain for next season. During half of this season Harris had acted as temporary captain, and was captain of the Tech basketball quintet that just closed its season. Harris is a member of the junior class, and one of the most popular athletes in the Maroon school.

Those present at the meeting and voting were: Killinger, Matthews, Captain-elect Harris, McKay, Snyder, Philippelli, Wear, Mell, Lloyd, ex-Captain Miller, Lauster, Fitzpatrick, Beck, Todd and Manager Evans.

WELLY'S CORNER

Harrisburg fight fans have seen a big meet in 1920—Antwerp, Lyons, Amsterdam and Havana.

Major league teams to-day put in a short time at practice. The big opening day to-morrow promises some new features in the way of presentations, parades and victories. The Federal League stars will be watched closely. The work of the players during the past two weeks indicates fast games for the opening day.

Dispatches from Atlantic City show a strong desire to have a Pennsylvania State League team play in that city during the summer. There are other towns bidding for a place in the new organization, notwithstanding reports to the contrary. The new league officials hold an option on grounds in York. The final showdown will be made in Harrisburg Friday.

According to a dispatch from Reading, it is proposed to make Harrisburg the headquarters of the Pennsylvania State League. In every city there is much activity in organization of local associations to back the new teams. Harrisburg supporters have been making numerous inquiries regarding the sale of stock and as soon as certificates are ready, it is understood, there will be little trouble in getting the necessary local backing.

The Central Pennsylvania Inter-scholastic championship will be decided at Lancaster to-night. Central High will meet the Reading tossers in the final contest. Both teams will have the backing of several hundred rooters. Central has been picked to win.

tempted by a nine representing the local institution.

The Dickinson varsity men and substitutes leave to-morrow morning for Easton, where they will meet Lafayette. Two days later, on the 14th, they clash with Susquehanna University and on Saturday meet Cornell at Ithaca. Lack of outdoor training handicapped the men somewhat in the opening games, but Coach Oyer looks for a record to be established later in the season.

Everything comes to him who waits. Manager Patsy Donovan, of the Buffalo International League club, enjoyed the first real sunny day since he arrived in Harrisburg with his Bison squad. The Island Park grounds this morning, while a little soft in places, were in good shape for a battle this afternoon. The game with Susquehanna University promised much interest.

The selection of Eddie Harris to lead the Tech High football eleven next season brought much favorable comment. Harris has been in the game and on a number of occasions showed good head work. As a leader he has proven his ability, in the opinion of all who have watched his work on the gridiron and basketball floor.

According to a dispatch from Paris, Baron Pierre de Coubertin, president of the International Olympic Games Commission, favors the elimination of the Olympic contests this year. Four places have been suggested for the
