

Spring Colds Are the Worst

They lead to catarrh and pneumonia. They weaken the entire system and leave it unable to resist the sudden changes. They interfere with your digestion and lessen your activity. Neglected they soon become that dread disease known as systemic catarrh. Don't neglect them. It's costly as well as dangerous.

PERUNA

Will Safeguard You

Have a box of Peruna Tablets with you for the sudden cold or exposure. Tone your system up with a regular course of the liquid Peruna, fortify it against colds, get your digestion up to normal, take care of yourself, and avoid danger. If you are suffering now begin the treatment at once. Give Nature the help she needs to throw off the catarrhal inflammation, and again become well.

The Peruna Company, Columbus, Ohio

VALENTINE BLAUSSER

Dillsburg, Pa., April 11.—Valentine Blausser died on Sunday from pneumonia and will be buried tomorrow morning at the Dillsburg cemetery. Mr. Blausser was employed by the Dillsburg public school and during the funeral the schools will be closed and the pupils will attend the funeral in a body.

TO TELL OF 'ROCKIES'

Two interesting lectures, both of which will be illustrated with attractive pictures, will be features of this evening's meeting of the geological section of the Harrisburg Natural history society in the State museum. P. L. Grubb, chairman of the section will talk on "The Canadian Rockies," and Willis Whited will discuss the relationship of geological formations to bridge foundations.

Be Careful in Using Soap on Your Hair

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain milled coconut oil, for it is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy, and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

Bell "4-30" Five-Passenger Touring

The Bell

Nothing Better at the Price

Before assuming the agency for the Bell Motor Cars in the Harrisburg territory, I naturally investigated a great many cars in the popular-priced field, with the result that its many high-grade features found only in cars of the \$2,000 grade, convinced me, as it should you upon comparison, that there is none better at the price.

Four cylinders cast on bloc; 3 1/2 x 5-inch bore and stroke; three-point suspension power plant; spiral level differential gears; Hotchkiss drive; double universal joint. Atwater-Kent ignition; 112-inch wheelbase. Is roomy, beautiful and luxurious, designed and constructed under the supervision of an engineer with world-wide and years of experience. Let me demonstrate and the Bell will prove to your own satisfaction that it is the sensation of the season.

RAILROAD RUMBLES

BLOCKADES SHOW LARGE DECREASE

Local Officials Expect Normal Freight Conditions About May 1

Congestions on the Middle and Philadelphia divisions of the Pennsylvania Railroad will be a matter of history by May 1, is the belief of freight department officials. An inventory is being taken of all trains and stored cars on the two divisions. It was announced that for the first time in many weeks through freight trains from Pittsburgh to tide-water have been handled without any delay in the Philadelphia yards where congestions were the heaviest four weeks ago, it is said there is very little freight awaiting orders from tide-water.

Wreckers Fail Twice in Effort to Derail Fast Trains

Wilmington, Del., April 11.—While running at the rate of 50 miles an hour, Baltimore and Ohio train No. 13, west-bound, known as the Wells-Fargo express, struck an open switch in the gutter near the plant of the Wilmington Leather company, yesterday, but held to the rails. The engineer felt the trucks giving way, shut off the power, applied the brakes and brought the train to a stop. The crew found the switch lock broken and the switch open. Nearby on the ground lay a pick.

P. R. R. Orders Heavy Rails; For Delivery Next Year

The Pennsylvania Railroad in a few days will ask rail makers to submit bids, under Pennsylvania specifications, for 120,000 tons of steel rails for the lines east. The requirements of the lines west for 1917 delivery will probably be made up by that time and the amount needed included in the bids to be asked.

The most significant feature of the 17 rails is that they are to be, with the exception of 5,000 tons, 120-pound rails instead of 100-pound, and will be the heaviest rail ever used by the Pennsylvania or any other railroad. The 1916 order of 167,500 tons included 25,000 tons of 125-pound rail, the first departure from the standard 100-pound rail.

EFFICIENCY HIGH IS MARCH REPORT

While Not Up to Standard Employees Are Praised by Superintendent

Efficiency tests on the Middle division of the Pennsylvania railroad for March while not record-breakers, have received commendation from N. W. Smith, the superintendent. Out of 216 tests, there were only seven failures. The percentage of efficiency was 94.8. In his report Superintendent Smith calls attention to the signal violations. Six of the March failures were disregarding home signal stops, and resulted in five suspensions. The two other failures were failure on the part of a conductor to have signal lights burning, and by an engineer in examining a switch.

Railroad Notes

Frank M. Williams freight brakeman on the Pennsylvania railroad, is ill at his home in Southwestern. The Pennsylvania railroad carried 200 passengers from Harrisburg to Washington, D. C., on Sunday. Daniel F. Jenks of the tariff bureau department of the Pennsylvania railroad, who was the guest of Arthur H. Dutton, solicitor, has returned home. Freight is now being hauled over the East Berlin Railway between Abbotstown and Berlin Junction.

Motive Power Team to Play Buffalo Internationals

At a late hour this afternoon Manager Mike Friel of the Motive Power department based a team of the Pennsylvania railroad to play a game for to-morrow with the Buffalo Internationals. The game will be played at Island Park, and the local line up will include:

BELL—1991—UNITED

An Echo of the Bowman-Majestic Fashion Show

Bowman & Co., 314-318 Market St., Harrisburg, Pa. Gentlemen:

I am in receipt of your communication of April 4th and I am delighted to know that your firm is so well pleased with my exhibition of your merchandise. It gives me great pleasure to tell you that while I have covered all the principal cities in the name, New York, Philadelphia, Boston, Providence, etc., and have had the big stores of these cities exhibit their garments in my "Fashion Show," I want you to know that your merchandise, in many respects, out-classed some of the famous stores that I have exhibited for in the larger cities.

I must compliment you on the completeness of the stocks, also the freshness of same, and I want to thank you for the kind and courteous treatment I received at your hands.

Wishing you a very prosperous season with your Spring apparel, I remain,

Very sincerely yours, CATHERINE CRAWFORD.

—Miss Catherine Crawford writes in behalf of her recent appearance in Harrisburg, at the Majestic Theater when her models displayed the latest fashions supplied by this store.

Too Bad This New Assemblage of \$25 Suits Came Too Late For the Fashion Show

WE'RE sure that Miss Crawford would have made particular mention in her letter about the splendid models to be found.

And the spectator would have been amazed at the wonderfully fine assortment of models that are now delighting those who visit the store.

Smart men's wear serges, checks, poplins, gabardines, in the season's correct shades, and the much-desired black and navy serges.

Try as you will, a more pleasing and extensive variety of models cannot be found at \$25, covering the new fashion-details that have come into popularity.

A brilliant showing of Newest Petticoats in Mercerized and Silk. Smart styles and favored colors—\$2.98 to \$7.50.

INSPECTING GUARD COMPANIES HERE

N. G. P. Officers Examine Property, Stores and Equipage

Major Albert G. Rutherford, of Scranton, inspector of the Third Brigade, National Guard of Pennsylvania, conducted the annual Spring inspection of Company I, Eighth Regiment, N. G. P., commanded by Capt. Fred E. Ziegler, last night. Field headquarters and company equipment were found in first class condition. To-night Company D, commanded by Capt. Jerry J. Hartman will be inspected by Major Rutherford and to-morrow night he will inspect the band section of the regiment and Company G at Carlisle.

The annual Spring inspection of the Governor's Troop, commanded by Capt. George C. Jack began yesterday afternoon when all of the State property, troop stores, camp equipage, saddles, bridles, blankets and other supplies were thoroughly examined. In the evening the men were examined, and troop, platoon and squad drills were performed. In the inspection party were Colonel J. P. Wood, of Philadelphia, regimental

ASTHMA SUFFERERS

MAKES BREATHING EASY

In New England where Bronchitis, Asthma and other diseases of the throat and lungs are so prevalent some wonderfully speedy recoveries have recently been effected by the use of a treatment known as Oxidaze, first introduced by Dr. Eugene Howard, a prominent Worcester physician. Oxidaze, which is a powerful, but highly concentrated combination of curative agents, comes compressed in a small tablet which the patient dissolves in the mouth. One of these simple and pleasant tasting tablets put in the mouth just before going to bed clears out all the choked up air passages, soothes the irritated bronchial tubes and enables the asthmatic sufferer to breathe easily and naturally while lying down and to get a comfortable night's sleep. Oxidaze tablets are harmless, contain no dangerous habit-forming drugs and are not at all expensive. G. A. Gargas and many other druggists sell them and agree to refund money to any purchaser who does not obtain successful results from their use. This certainly makes their test an easy matter to all who suffer from Asthma or Bronchitis.—Advertisement

No Action Will Be Taken on Opening of U. S. Mail by Canadian Authorities

Washington, April 11.—Several protests have been made to the Post Office Department recently by postal authorities at offices along the Canadian border that American letters have been opened in the Dominion and passed upon by a censor.

No action has been taken and it was understood to-day to be the feeling of authorities here that mail in Canada is subject to such regulations as the Canadian government may make.
