HOW GOOD THAT MUSTEROLE FEELS!

It Gets to That Sore Spot Like Magic. A-a-h! That's delicious relief for those sore muscles, those stiff joints, that lame back.

MUSTEROLE is a clean, white ointment, made with the oil of mustard and other home-simples. It does the work of the old-fashioned mustard plaster, minus the plaster and minus the blister!

You simply rub MUSTEROLE on the spot where the pain is—rub it on briskly—and the pain is gone. No muss, no bother. Just comforting, soothing, relief—first a gentle glow, then a delightful sense of coolness. And best of all, no blistering like the old-fashioned mustard plaster use to make.

There is nothing like MUSTEROLE for Sore Throat, Bronchitis, Tonsillitis, Croup, Stiff Neck, Asthma, Neuralgia, Headache, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chills, Frost-bitten Feet and Colds of the Chest (It often prevents Pneumonia).

At your druggist's, in 25c and 50c jars, and a special large hospital size for \$2.50. Be sure you get the genuine MUSTEROLE. Refuse imitations—get what you ask for. The Musterole Company, Cleveland, Ohio.

NUXATED IRON

Increases strength of delicate, nervous, rundown people 200 per cent in ten days in many instances. \$1.00 per bottle. Refuse imitations. Ask your doctor or druggist about it. Croll Keller, G. A. Gorges always carry it in stock.

A GOOD HABIT TO CULTIVATE. The cultivation of love and forbearance for others is one of the safest habits to form; and this love should be cultivated without inquiring whether others deserve it or not. It is always difficult for any human being to know surely whether another deserves our love, for we never know the heart, and we cannot see behind the scenes. Only God can truly judge it is for us to love and to help, and let God do the judging and the criticizing. This attitude of caring and being to be really helpful can be formed like any other habit, and once formed it takes the place of indifference and intolerance, opening up our whole lives to faith and light.—The Christian Herald.

For Preserving and Canning With the summer season for preserving and canning almost upon us, prepared with a good kitchen range, and in our own city are sold the famous Penn Esther ranges, whose long-established reputation is so well known all over the country.

The New Braid It is hard to say whether smartness or becomingness is the most noticeable characteristic of a certain new hat shown by Astrich's, Fourth and Market streets, in their charming French Room. It is made of a thoroughly genuine green braid, known as "carnation braid." It has the advantages of looking rough surface, like the upturned edges of carnation petals, yet it is really as soft to the touch as the garden of Christmas-tree moss.

Vacation Money A splendid opportunity for the schoolboy to earn money during the summer vacation by taking postcard pictures is suggested by the Gorges Drug Store, 16 North Third street, where a full line of Kodaks and supplies is offered. The No. 2A autographic Kodak is one of the most popular models, taking pictures 3 1/2 by 5 1/2 inches, the regular postcard size. It has all the advantages of the latest models, yet is so simple to use that any beginner can make good pictures from the start. Exquisite White Pumps Dolly Varden—those pretty feet won her a sweetheart—could not have worn more attractive footwear than the new white Colonial pumps shown by the Walk-Over Boot Shop, 226 Market street. Every stitch in them seems part of a perfect design in true Colonial style, and the exquisitely fine white kid clings closely to the foot, making the model particularly graceful and becoming. The buckle is big and square and set at just the right angle—a little point which makes all the difference between beauty and
