

BLACKHEADS AND PIMPLES ON FACE

Large, Hard and Red. In Blisters. Caused Itching and Burning. Lost Rest at Night.

HEALED BY CUTICURA SOAP AND OINTMENT

"My trouble, which was blackheads and pimples, was severest in the face. The pimples were large, hard and red and were in blisters and caused much discomfort. They also caused much itching and burning and my face became irritated by scratching and I lost my rest at night on account of the trouble."

"At last I got Cuticura Soap and Ointment. I used the Cuticura Soap and Ointment both morning and evening, applying the Ointment first, then in about five minutes I washed my face with Cuticura Soap and in three weeks I was cured." (Signed) E. J. Strickler, 679 Princess St., York, Pa., Aug. 12, 1915.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out of the tube restored to its normal condition, hearing will be destroyed forever; since cases of deafness are caused by Catarrh, which is nothing but an inflamed condition of the mucous lining of the Eustachian Tube. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Dangerous Varicose VEINS CAN BE REDUCED. If you or any relative or friend is worried because of varicose veins, or bunches, the best advice that anyone in this world can give is to get a prescription that many physicians are now prescribing. Ask your druggist for an original two-ounce bottle of Emerald Oil (Full strength) and apply night and morning to the swollen, enlarged veins. Soon you will notice that they are growing smaller and the treatment should be continued until the veins are of normal size. So penetrating and powerful is Emerald Oil that it dissolves gobs and wens and causes them to disappear. It cures always. Be secured at all druggists—advertisements.
