How To Remove Wrinkles

A Simple, Safe and Reliable Way Those who have become prematurely wrinkled whether from trouble, worry or ill-health know full well the priceless treasure they have lost. There is no need, however, of any woman injuring her chances of social or financial success in life by carrying around these marks of time. If your skin shows signs of becoming wrinkled or flabby, go to any good drug-list and get a little am-o-nized cocoa cream and apply this nightly over the entire face and neck, allow to remain on for about five minutes and then wipe off with a soft dry cloth when the complexion will be found to be much improved, wrinkles less apparent and the skin whiter and less flabby in appearance. Beauty doctors say it is the only preparation in the world that will actually remove wrinkles and make old faces look young and beautiful. Am-o-nized cocoa cream costs little, is easy and delightful to apply, does not promote hair growth and will keep sweet and fresh indefinitely. Druggists everywhere are recommending it in place of face creams and lotions for instead of hiding your wrinkles or concealing defects, it removes them. This is why many society women, who would not touch an ordinary cold cream, are enabled to keep their skin free from wrinkles and so young and girlish in appearance. Every lady who wants to possess a clear, smooth skin, free from wrinkles, should give this preparation a trial. There is nothing better.

WILL OPEN BIDS FOR NEW CHURCH

Rev. Father Anthony Zuvich to Receive Estimates on \$30,000 Edifice

Specifications have been received and submitted to contractors for the erection of the proposed new church edifice for St. Mary's Croatian Catholic parish. Five contractors are estimating and will have their bids in the hands of the Rev. Father Anthony Zuvich, rector and chairman of the building committee, in time to be opened next Wednesday evening, April 26. The estimating contractors include: Harry C. Wright, Steelton, who has the contract to build the Meselah Lutheran church, Harrisburg; John L. L. Kuhn & Co., Harrisburg; Staff & Benfer, Harrisburg, and a Lancaster firm, A. A. Richter, Reading, is the architect. The cost will be about \$30,000 exclusive of the foundations which are already completed.

To Make Booster Banquet Plans at Meeting Tonight

A joint committee from the Municipal League and Merchants' Association will meet this evening to discuss plans for a "Booster Day Banquet" to be held in the near future. It is planned to invite Charles M. Schwab, chairman of the Board of Directors, and E. G. Grace, president of the Bethlehem Steel corporation, which recently acquired the Pennsylvania Steel Company, as the special guests. At a meeting of the merchants last evening plans were discussed for a big Independence Day celebration.

PARA KOSTOFF DIES Para Kostoff, aged 40, of 508 Myers street, died last evening from a complication of diseases. She is survived by her husband. Funeral services will be held this afternoon at 4 o'clock in the Bulgarian-Orthodox church, with the Rev. Father David Dukoff officiating. Burial will be made in Calvary cemetery.

START REPAIRING STREETS Myron D. McLarty, representing the Standard Bitulthite Paving Company of New York, is in the borough to direct repairs to Second street paving laid about 5 years ago. Mr. McLarty is surveying the damaged sections and will start repairs at an early date.

date. He has been sent here following Borough Secretary Charles P. Feidt's notification to his company that the street should be repaired. Street Commissioner Jacob Meshey has started work on resurfacing of South Front street from the old borough line to Motor street.

W. Ellenberger.

SCHOOLS TO CLOSE The public schools of Swatara township will close for this term on Friday, April 28, except the township high school, which will continue one month longer.

HOME FOR EASTER Professor Harry G. Snively, of the Newark, N. J., high school, is spending his Easter vacation with his mother, in Front street.

REPAIRING ROADS Supervisor Green has a force of men at work repairing the roads of the township, many of which are in need of repair.

STEELTON STEELTON PLANS BIG OBSERVANCE FOR ARBOR DAY

Municipal League, Shade Tree Commission and Schools Will Plant Trees

Civic organizations in co-operation with the school authorities are planning big field day exercises in Luther R. Kelker park, Steelton, on Arbor Day, Friday, April 28, when hundreds of trees will be planted. All the schools will participate in exercises arranged with a view to instilling a love for nature into the minds of the pupils. The Municipal League, under whose direction recreation facilities for the complete borough are being greatly improved, will hold an informal meeting in the offices of W. E. Darby, attorney, in the Steelton Trust building, to-morrow evening at 8.30 o'clock to formulate complete plans for the big outing. At the same time the shade tree commission of Steelton will meet to complete arrangements for co-operating with the league and schools and to map out some of the summer's work.

It is planned to have this year's Arbor Day exercises the most elaborate in years and the borough school board has signified its willingness to co-operate. All the borough schools will participate by having special exercises appropriate to the day in the morning and in the afternoon will go to Luther R. Kelker park, where scholars from each building will plant a tree. It is also likely that each separate school will plant trees and many individual pupils or their parents will volunteer to plant trees.

On account of the lateness of the date no call will be sent out for to-morrow evening's meeting of the league and it has been decided to have merely an informal gathering to talk over plans.

Playgrounds Fund Gets Another \$100 Increase

Following out the promise made when a joint committee of the Municipal League and Civic Club went before council to request creation of a fund for establishment of a playgrounds and recreation system in the borough, the Steelton Civic Club yesterday appropriated \$100 to this fund. With the \$100 donated by the league there is now a fund of \$900 with which to undertake the summer's work. At yesterday afternoon's meeting of the club, held in Trinity parish house, Fine street, Rabbi Freund of Harrisburg, delivered an interesting address on "Mormonism." The league also viewed the plans submitted by Warren H. Manning for formal entrance to Luther R. Kelker park. The club will bear the expense of erecting the entrance. Plans were discussed and a committee appointed to see the fountain at Front and Locust streets.

Prepare Water Bills. — Borough Charles P. Feidt is preparing to send out the May 1 water bills. Schools to Close. — All the borough schools will close Thursday afternoon and will not reopen until next Tuesday morning on account of Easter.

Announce Birth. — Mr. and Mrs. John M. Donovan, of the First Presbyterian street, announce the birth of a daughter, Margaret Loretta, Monday, April 17. Mrs. Donovan was formerly Miss Myrtle B. Young.

W. C. U. Meets. — The W. C. T. U. will meet at the home of Mrs. Benjamin Hoke, 418 Lincoln street, to-morrow afternoon at 2:30 o'clock. Special Services. — Special services will be held at the First Presbyterian church to-morrow evening at 7:45. The service on Friday will be preparatory to the Holy Communion.

CRITCHLEY RESIGNS After forty years' continuous service Frank O. Critchley, 31 South Fourth street, has resigned his position at the Pennsylvania Steel works. He will become associated with Arthur and Luther Shanaman, 408 Market street, Harrisburg, in the manufacture of artificial limbs. For the past eighteen years Mr. Critchley has been in charge of shipments of limestone from the Cumber quarries.

TO RAISE FUNDS A committee from the Steelton Association will meet Friday evening to discuss plans for raising additional funds with which to carry on the work. At last evening's meeting of the charities board Miss Marie Wyneman, the investigator, reported that much work is now being done by the organization and that funds are running low.

CLASS 27 ELECTS At a meeting of Class No. 27 of the First Presbyterian Church the following officers were elected for the ensuing year: President, John Hursh; vice-president, W. A. Miller; secretary, Ernest F. Swisher; teacher, L. E. McGinness.

FIRE AT SAUCON PLANT Almost 150 of 750 barrels of rosin stored east of the saw repair shop in the Saucou plant of the Bethlehem Steel Works were consumed by fire yesterday at about 11 p.m., entailing a loss of approximately \$1,000. The efficient work of the works' fire department saved 600 barrels of the material. Part of the contents of the damaged barrels may be reclaimed. The rosin was stored in an exposed section and it is presumed a spark from a locomotive was responsible for the blaze. The flames shot high, making the glare visible for many miles. Rosin at the works is used for holding immovable bullets in shrapnel shells.

TREE FALLS ON MAN Struck by a falling tree, Robert Hatton, foreman of repairs at the Middletown car shops, sustained severe lacerations about the head, face and shoulders. He was taken to the Harrisburg Hospital. Hatton was directing the removal of a tree when it fell the wrong way.

MUSICAL AT HIGHSPIRE The glee club of the Rutherford P. R. Y. M. C. A. will give a sacred musical in the Church of God at Highspire Thursday evening under the auspices of the Men's Bible Class. The proceeds will be devoted to the parsonage debt fund. H. Voucks will furnish several lighter readings. A silver offering will be lifted.

CONFER RED CROSS DEGREE The Red Cross and Sepulchre degree was conferred upon seventy candidates at a meeting of Baldwin Commandry, 108, Knights of Malta, last evening. Grand Recorder John H. Hoffman, of Philadelphia, was present.
