## Indian Motorcycle

—with Powerplus Motor!

**POWERPLUS**—a motor that sets an entirely new standard of motorcycle efficiency ideals!

- Think of a stock motor doing 70 miles an hour any time without preparatory tinkering;
- That develops 15 to 18 h. p. an hour, per dynamometer test;
- That picks up from standstill to 60 miles an hour in 30 seconds;
- That is quiet, accessible, oiltight, clean;
- That operates at lowest upkeep cost.

Think of these big advantages all embodied in **one** motorcycle motor.

Then see the 1916 Indian at our showrooms and learn why it's far and away the **BEST** motorcycle
