Pick Your mind is pretty well made up as to where you would rather live—for you've looked the town over before deciding.

Your You two have talked it all over—you're both of one mind—you know you ought to be paying into a home and not to a landlord.

Home Then pick your home to-day! Make a payment on it! Pay the balance like rent if needs be—but live in a home instead of a rented house.

RAILS ASSUME LEAD POSITION

Drive Stimulus From Norfolk Dividend; Munitions and Equipment Soar

By Associated Press

New York, April 27. — Rails assumed a more commanding position later, that group probably deriving its stimulus from Norfolk and Western's increased dividend and the more favorable labor outlook.

Coalers, particularly Erie, Reading and some minor issues, increased their advantage and New Haven gained two points of its recent decline. Munitions and equipments made further upward progress, despite considerable realizing and opposition from that short interest. A few inactive high-priced specialties, including the sugars, and Sears-Roebuck, were 5 to 14 points higher. Trading broadened on the greater activity. Bonds were steady.
