lot by George Bronson Howard. Novelization by Hugh C. Weir. Copyright Kalem Company.

(Continued from Yesterday.)

"Oh, please—please!" said Mary,
"Why—what harm could it do, Mr.
Clyde? We don't know this woman—
and we would never tell on you!"
"And, besides, it might be a warning
to us," said Mona. "I think it's your
duty to tell us, so that we'll never, by
any chance, make the same mistake
she did!"
"No fear of that!" said Clyde, warmly. "Well—if you'll promise not to leb
pn that you know anything and never,
by any chance, to breathe to a soul
for the we'll!" said Mary. "Honestly, you needn't be afraid—"
"It's a common enough story," said
Clyde, then. "And an ugly one too.
The plain truth of it is that the poor
lady has a husband she doesn't get
along any too well with as it is—and
I know enough of the case to be sure
it's his fault."
"Trust a man to take the woman's
side," said Mona. But she didn't say
side," said Mona. But she didn't say
side," said Mona. But she didn't say

lady has a husband she doesn't get along any too well with as it is—and I know enough of the case to be sure it's his fault."

"Trust a man to take the woman's side," said Mona. But she didn't say it nastily; Mona had a good deal more charity for her sex than some women who have never had to withstand the contract of the contract of

Deputy State Highway Commissioner George H. Biles and Chief Engineer W. D. Uhler. The Pennsylvania Railroad Company was represented by H. P. Lincoln, Superintendent of the Williamsport Division, C. E. Brinser, Division Engineer of the Williamsport Division, J. H. Nichols, Principal Assistant Engineer Central Grand Division, H. M. Carson, General Superintendent Central Grand Division, H. M. Carson, General Superintendent Central Grand Division, H. M. Carson, General Superintendent Central Grand Division and J. E. B. Cunningham and Charles H. Bergner, attorneys for the Pennsylvania railroad.

After this tentative agreement had been reached, the discussion turned to the condition of the road north from Clark's Ferry to Inglenook. While no definite conclusion was reached, it was agreed that the railroad company officials submit to the State Highway Department their proposition which was to provide a might was a greed that the railroad company officials submit to the State Highway Department their proposition which was to provide a might was a greed that the railroad company and Superintendent. Chief Engineer Uhler expressed his State Highway Department their proposition which was to provide a might was a greed that the railroad company and Superintendent. Chief Engineer Uhler expressed his Judication of the difficulties with the State Highway 25 feet in width, extending Lincoln said that he was entirely satisfied that both sides had yielded a highway 25 feet in width, extending that the agreement reached above the flood stage and the river would meet with the approval of all.

### You clean windows CLEAN

Winter Nights

No matter which way the wind blows, no matter if it's raw, cold and damp outside, no matter what room you want to sit in, a

Perfection

Smokeless Heater will economically keep that very room genially warm. Best results when Atlantic Rayolight Oil is burned. Ask your dealer.

Spent in Comfort

-With Ravolight

Atlantic Rayolight Oil, washing windows just discouraged me, for try as I might, rub and polish for all I was reath the middows would get at reader. worth, the windows would get streaky. "But now I know that if I wash them with Atlantic Rayolight Oil (a half cup to a pail of hot soapy water), my windows will glisten and shine like plate glass and, what's more, they'll keep clean lots longer." So writes one busy, keen

Other wise housekeepers have found Mantic Rayolight Oil the very best thing to keep away moths, to polish furniture, to get rid of bugs and cock-roaches, to cut grease, to take off rust and for a hundred and one other pur-

Mind you, it is Atlantic Rayolight Oil, not ordinary kerosene, that these thousands of women have found indispensands of women have found manspen-sable in their housework, for there's a vast difference. Atlantic Rayolight Oil is refined by slow, careful processes from the very finest crude petroleum. It is always of even quality.

And so it burns without smoke or smell, burns slowly and economically; makes a better lamp of any lamp, and a more effective heater of any heater. But best results—the most heat for the least money—come when Atlantic Rayolight Oil is burned in a Perfection Smokeless Heater.

Ask your dealer for

by name. It costs no more than ordinary kerosene and it is considerably better.

The dealer who displays the sign

can always supply you.
