KEEP A JAR OF MUSTEROLE HANDY

It Quickly Loosens Up Coughs and Colds in Throat or Chest

Just a little MUSTEROLE rubbed on your sore, tight chest before you go to bed will lobsen up congestion and break up most severe colds and

coughs.

MUSTEROLE is a clean, white ointment made with oil of mustard. Simply rub it on. No plaster necessary. Better than mustard plaster and does not bilster.

not blister.

Thousands who use MUSTEROLE will tell what relief it gives from Sore Throat, Bronchitis, Tonsilitis, Croup, Stiff Neck, Asthma, Neuralgia, Headache, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chilblains, Frosted Feet and Colds (it often prevents Pneumonia).

Leaving his command of 56 men of the Governor's troop of Harrisburg almost a mile behind him, Captain experiments have proved conclusively that Catarrhal Deafness, head noises, to constitutional eraction of the catarrhal peafness, head noises, inhalers, etc., merele task to sprays, inhalers, etc., merele task to sprays, inhalers, etc., merele task to sprays, inhalers, etc., merele task to spray the catarrhal poison from the system. The effective prescription which was aroused the belief that deafness will soon be extinct, is given below in understandable form, so that anyone can treat themselves in their own home at little expense. Your druggist 1 oz. Parmint (Double Strength), about 75 worth. Take this home and the presence of catarrhal poison, and the hearing rapidly returns as the system is invigorated by the tonic action of the treatment. Loss of smell amucus dropping in the back of the threat, are other symptoms that show the presence of catarrhal poison, and which are often entirely overcome by this simple home reteatment.

Eyery person, who is troubled with head noises, catarrhal deafness, or carring can be restored by this simple home reteatment.

Quiet prevailed throughout the night and the authorities expressed the belief that there would be no further trouble. Nearly 1,200 members of the Pennsylvania National Guard are now scattered through the strike zone. The Eighteenth Infantry arrived late last night from Pittsburgh and is being quartered in a building recently completed by the electric company.

Return to Work

Two other regiments of infantry, the Tenth and Sixteenth, located in towns near Pittsburgh, are still being held in readiness for immediate duty, although their services may not be needed.

although their services may not be needed.

Seventy-five men who have been out of work since the Pittsburgh and Lake Erie machinists struck last week returned to the shops to-day. A large number of strikers saw them enter and listened while D. J. Redding, assistant superintendent, offered them the use of a company building for a meeting scheduled for this afternoon. He said if the men would use the structure, company officials would be there and make them a fair proposition. They walked away without accepting the proposition.

Cleveland, Ohio, May 4.—By a vote of 1,123 to 496 the street car men last night and early this morning voted to accept the compromise offer of the Cleveland Railway Company on the men's wage demand, thus eliminating all chance of a street car strike here.

The terms as accepted by the men call for a wage increase of 2 cents an hour, effective at once, with an additional 1 cent increase May 1, 1917, and a minimum day of five hours, effective at once. The first-year men have been getting 29 cents an hour and the others 32 cents. The company estimates the advance will cost \$532,000 in two years, which is the life of the agreement.
